“Image and Word: Art and Poetry in Conversation”

Artists & Poets

Join us for the unveiling of new art and new poetry shaped by a creative collaboration among Colorado artists and poets. Beginning with a “seed work” of visual art, our first poet composed a verse response and passed it on to another artist, who in turn responded with a fresh work of art that was then sent to the next poet. The process continued until eight new art works and eight new poems had emerged. Artists and poets worked in anonymity, so the unveiling will be full of exciting surprises for everyone involved.
