October is "Domestic Violence Awareness" month. He has been fortunate to be allowed to travel to various Ohio cities to give a speech on this topic. He has traveled to Hillsboro, Wilmington and Waverly to name a few of the towns. CHOICES will be holding their annual luncheon on the 28th of October. He encouraged everyone to do something, no matter how small, for any non-profit group this month.

**Report of Mayor/Safety Director:** Mayor Brennan said he drove around the City with Mr. Harvey to see what signs were visible or in need of repair/replacement. Several signs needed tree limbs trimmed to be more visible and those have since been done. There were several missing signs as well which have now been ordered. The intersection at Fair and Roosevelt have walk/don't walk signs which are very hard to see. The replacements have also been ordered. He also noticed a few street lights which had been covered up from branches.
