About our program...

The instrumental music department is made up of three different components: Band (Brass, Woodwinds, & Percussion), Colorguard, and Orchestra (Strings). Anytime you hear or see the words instrumental music, it is referring to one of these three groups. Brief descriptions of each of our ensembles are given below along with the class period or time of the year the ensemble occurs. Also included is an indication of the time commitment involved with participation in that particular group (Level 1, 2, 3 - see the bottom of the page for a more detailed description of the expected time commitment). Students may be a part of one or more of these ensembles.

Concert Band

Concert Band (2nd Period - All Year) (Level 1)

The Concert Band performs exciting concert band music with a high level of focus on preparing the students for Symphonic Winds and Wind Symphony. During the fall, this class is made up of brass and woodwind students who do not participate in Marching Band.

Symphonic Winds (3rd Period - Spring Only) (Level 2)

The Symphonic Winds is a mid to upper level concert band experience for our more dedicated students working their way towards Wind Symphony.

Wind Symphony (4th Period - Spring Only) (Level 2)

A premier concert band experience, the Wind Symphony is made up of mostly upperclassmen. The Wind Symphony performs several times in the spring and travels out of town each year. The Wind Symphony is an intense, but very rewarding performing experience! To be considered for Wind Symphony, you must be a member of the marching band.

Marching Band

Marching Band (After School - Fall Only) (Level 3)

Marching Band is one of the most exciting performing experiences in our program. The fall is spent preparing the competition show for several competitions through October and November. The Marching Band also learns an entertaining show to perform at halftime for most football games and supports the football team from the stands.

Marching Band Hornline (4th Period - Fall Only) (Level 3)

All students who play a brass or woodwind instrument in the marching band are enrolled in 4th period during fall semester.

Jazz Bands*

Jazz I (0-Period) (Level 2)

Jazz 1 plays outstanding big band music and has several performances throughout the year in town and out of town.

Jazz II (0-Period) (Level 1)

Jazz II is open to anyone who is interested in playing jazz, even if you have never played before.

** Students must be concurrently enrolled in the appropriate instrumental music class during the school day in order to participate in jazz.*

Colorguard

Colorguard (7th Period - All Year) (Level 3)

Colorguard combines dance, drama, performance, and the manipulation of flags, sabers, and rifles into one magical artistry of pageantry. This outstanding performing group is an intricate part of the Marching Band in the fall. The students continue developing their skills throughout the rest of the year and present a dance recital at the end of 2nd semester.

Winterguard (After School - November to April) (Level 3)

Winterguard is an indoor Colorguard activity performed in gyms & arenas. All members of the Colorguard are members of one of two Winterguards, A Guard & Open Guard. Both groups compete locally and out of town.

Orchestra

String Orchestra (7th Period - All Year) (Level 1)

String Orchestra is open to all students who play a string instrument in any grade and any ability level. The group performs at concerts and festivals throughout the year.

Chamber Orchestra (1st Period - All Year) (Level 2)

Chamber Orchestra is an advanced group of string musicians who perform very challenging and intense music written for string orchestra.

Symphony Orchestra (After school - Winter/Spring) (Level 2)

Symphony Orchestra performs at the holiday concert and throughout the spring. The group is a combination of select woodwinds, brass, percussion, and strings.

Percussion

Percussion (6th Period) (Level 3)

All Percussionists, regardless of grade, take this class which focuses on Marching Band in the fall. For the rest of the year, students focus on percussion ensemble literature and concert percussion technique. Percussionists will be placed in one of our concert bands in the spring or remain in percussion class.

Winter Percussion (After School - November to April) (Level 3)

Winter Percussion is an indoor marching percussion activity performed in gyms & arenas. All percussionists participate in winter percussion at Clovis West as part of a well-rounded experience in percussion.

Time Commitment and Instrumental Music Ensembles

As a member of an ensemble, the student makes a commitment to attend all rehearsals and performances so that the group can achieve a high level of excellence. The different levels of time commitment required for each of our ensembles is listed above and described below:

Level 1 - Minimal outside of school commitments, usually limited to concerts and some local festivals. Participation in sports and other activities are usually not an issue when participating in a level 1 ensemble.

Level 2 - Significant outside of school commitments including some rehearsals, several performances, festivals, and trips during the year. Participation in sports and other activities can be an issue from time to time, but conflicts and forward planning usually resolve these issues.

Level 3 - Extensive outside of school commitments including regular weekly rehearsals, several performances, festivals, and trips occur during the season or the year. Participation in sports* and other activities is very difficult, if not impossible. A student should make sure that their calendar is free of any conflicts before committing to a level 3 ensemble. *Fall sports and Marching Band generally do not work as we are not able to accommodate fall practice and game schedules. Please speak with a director about the sport you would like to do in the fall.

Staying Informed

We are a very active program with our students participating in several performances and trips each year. We make every effort to keep our students and parents up-to-date on all of our activities. Below are the many ways you can stay informed about everything going on in our program.

Grading & Expectations

Grading Policy Overview

The Instrumental Music Department Grading Policy is designed to ensure accountability for all students participating in the program. The success of our ensembles depends on 100% involvement of ALL students, therefore a large part of the grade is based on **Attendance and Participation**. It is also important to stress the individual development of the students through the use of **SmartMusic and Additional Assignments**. The final piece is teaching the students to be consumers of art through **Concert Credit**. The overall goal is to encourage consistent participation, development, and responsibility of all members of our performing ensembles.

The Grading System

A full semester is worth 1000 points and is divided as follows:

Fall Semester

47% - Attendance & Participation (470 Points)
21% - SmartMusic/Additional Assignments (210 Pts)
21% - Basics & Fundamentals (210 Points)
11% - Concert Credit (110 Points)

Spring Semester

25% - Attendance & Participation (250 Points)
21% - SmartMusic/Additional Assignments (210 Pts)
21% - Basics & Fundamentals (210 Points)
11% - Concert Credit (110 Points)
11% - Performance Final (110 Points)
11% - Solo & Ensemble (110 Points)

Each of these categories is explained below.

The Grading Scale

A - 900 to 1000 points
B - 800 to 899 points
C - 700 to 799 points
D - 600 to 699 points
F - 599 points and below

Attendance & Participation (Fall: 47% or 470 Points/Spring: 25% or 250 Points)

Attendance at all rehearsals outside of the school day, performances, concerts, festivals and competitions, including all trips, is a key component of the instrumental music experience and is expected from all students. As long as the student shows up each day and participates, they will not have any attendance or participation grading issues.

***Attendance at Concerts & Festivals** is not graded. However, attending our performances and festivals fulfills any requirement to complete alternative assignments** given to those who do not attend our performances and festivals. If an absence is anticipated and pre-excused, the alternative assignment is due the day of the event. If you miss a concert or festival due to illness or family emergency, the alternative assignment is due one (1) week after the date of the event or at the discretion of the director.

****Alternative Assignment Research Paper** must be 5 pages typed, 12 point/Times New Roman font, double spaced, with a works cited page included on a topic assigned by the director. Research Papers will be graded and checked for plagiarism.

SmartMusic/Additional Assignments (21% or 210 Points)

Woodwinds, Brass, Strings: Your SmartMusic/Additional Assignment grade is completely based on what is shown in the SmartMusic Software. Whatever percentage you have in SmartMusic is how many points you will receive in this category on Zangle (i.e. an 80% grade in SmartMusic = 168 of 210 points in Zangle). This is updated in Zangle at 6-week, 12-week, and final semester grades. You can check your current SmartMusic grade by logging into your SmartMusic account on any computer that has the SmartMusic software. Take your grade (percentage) in SmartMusic times 210 points to determine your grade in this category in Zangle.

Percussion & Colorguard: Because you do not use SmartMusic, this grade is based on any additional assignments, playing tests, or performance evaluations given in class. This may vary semester to semester. The percentage achieved is multiplied by 210 to determine points earned. This is updated in Zangle at 6-week, 12-week, and final semester grades. Check with your respective director to find out your current grade in this category.

PLEASE NOTE: This grade is a flexible grade that changes depending on your **current** grade in SmartMusic or on your alternate assignments. For example, achieving a grade of 180 out of 210 at 6 week grades **does not** mean that your grade won't go up or down based on future SmartMusic or Alternate Assignments.

Concert Credit (11% or 110 Points)

Each semester, the students are expected to attend one high school, college, or professional performing arts event that they are not performing in or would not normally attend. This experience is meant to teach the students the importance of supporting the arts in our community. Any one of the following types of performances would count towards your Concert Credit requirement:

- A Band, Choir, Drama, Folklórico, Jazz, Orchestra, Percussion, or performance from our school or another school will count as long as you are not a member of the performing ensemble(s) that night.
- Any community or professional fine arts concert or performance. The Fresno Philharmonic, a community ensemble, a touring performing group/musical, etc., all would count. Please check with the director to see if the event you would like to attend will satisfy the requirement. As a general rule, performances by popular artists will not count, though some may be approved at the discretion of the director.
- As an alternative, the student may watch 60 minutes of an approved Internet/YouTube performance and write a one page double-spaced, typed, 12-point font (Times New Roman) summary of what was watched. This will be graded for quality/grammar, etc.
- The event attended must take place within the semester (i.e. an event attended during the summer would not count towards first semester concert credit).

To get your Concert Credit, a **Concert Credit Verification Form** must be turned into the bandroom mailbox along with a program cover or ticket stub from the performance. Please turn in the original and keep a copy for your records. You have until the last day of the semester to submit your Concert Credit. Concert Credit is recorded as it is turned in. Please allow 1 to 2 weeks for it to show up in Zangle.

For the first 12 weeks of the semester, incomplete Concert Credit will not count against your grade. After 12-week grades are posted, incomplete Concert Credit will count as a zero in Zangle until your Concert Credit is turned in.

Solo & Ensemble (11% or 110 Points) (Spring Semester Only)

All Clovis West Instrumental Music Students will have a solo & ensemble experience each year.

- All Clovis West Instrumental Music 11th & 12th graders (Band & Orchestra) are required to perform a solo during 2nd semester at the Solo & Ensemble Festival or perform a solo in their respective class. 11th and 12th graders may also participate in an ensemble, in addition to their solo.
- All Clovis West Instrumental Music 9th & 10th graders (Band & Orchestra) are required to perform a solo or an ensemble during 2nd semester at the Solo & Ensemble Festival or perform a solo or an ensemble in front of their respective class.
- Solos and ensembles performed in class will be graded on the quality of your performance. Solos and ensembles performed at the festival will automatically receive an "A".

More detailed information about Solo & Ensemble will be made available in December.

Performance Final (11% or 110 Points) (Spring Semester Only)

All Clovis West Instrumental Music Students will have a performance final that includes scales, an etude, and sightreading.

Point Deductions

If necessary, the following deduction scale will be used:

Description	Deduction	Grading Impact
Missed Class (Unexcused Absence)	30 Pts Regular Day 55 Pts Block Day	1 week classes = 1 letter grade drop
Tardy (Unexcused)	20 Points	6 tardies = 1 letter grade drop
Lack of Effort/Disruptive Behavior/Unprepared for class.	15 to 55 Points	Depends on point amount
Missed rehearsal scheduled outside the school day without prior notification.	55 Points	2 missed rehearsals = 1 letter grade drop
Missed Concert or Failure to Complete Alternative Assignment*	110 Points	1 missed concert = 1 letter grade drop
Missed Festival/Competition or Failure to Complete Alternative Assignment*	220 Points	1 missed festival/competition = 2 letter grade drop (A --> C)
Improper attire/missing instrument or music at performance	55 Points	2 occurrences = 1 letter grade drop

Daily Expectations

For each scheduled class period, you must be in class and have everything necessary for a successful rehearsal. This includes: Your instrument (in good working order), your own music, pencil, and an excellent attitude. You are expected to put forth a high level of effort and observe appropriate rehearsal etiquette for the entire class. You must also show consistent improvement in your playing through regular practice at home. If you forget your instrument, you must sit in your regular assigned seat and follow along with the music and the rehearsal. You may not do homework, read, or anything else.

Practice Outside of School

You must show consistent improvement in your playing throughout the year due to regular practice at home. While we do not 'grade' your practice time at home, it is expected and should be done on a daily basis. Twenty to thirty minutes a day (or more) would be a starting suggestion. A portion of your practice time should be devoted to developing your technique on your instrument with the remainder of the time spent on the music you need to prepare for class or upcoming performances.

Tardy Policy - Band, Orchestra, Percussion

You are expected to be inside the bandroom by the time the tardy bell rings. You have 3 minutes from the time the bell rings to get your instrument, music etc. and be setup ready to rehearse. If you are not inside the bandroom by the bell or not setup to rehearse by three minutes after the bell, you will be marked tardy.

Tardy Policy - Colorguard Class

You have 5 minutes from the time the bell rings to change into appropriate rehearsal attire and be ready to rehearse.

Tardy Policy - Jazz Band

You are expected to be inside the Bandroom by 6:50am to get setup and to warm up. Be ready to play at 7:00am.

Absences From Class

Absences from class will be excused and unexcused based on the school's attendance guidelines as recorded by the attendance office on campus. Excused absences do not need to be made up as long as the student puts in extra practice time beyond their normal practice amount. Unexcused absences may not be made up. It is very important you make sure all absences from class are cleared through the attendance office.

When a teacher asks you to come in before school or after school for extra help and that conflicts with jazz band or another one of our scheduled events or rehearsals, please let that teacher know right away that you are not available and that you would like to find another time to come in.

Absences From Instrumental Music Events & Outside of the School Day Rehearsals

Anticipated absences from any rehearsal/event outside the school day should be communicated to the director utilizing the **Excused Absence Form** found on the website or next to the bandroom office door at least one week prior to the anticipated absence.

In cases of illness please contact the director (e-mail or phone) as soon as it is determined that the illness may cause the student to miss the event. In most cases, this will be several hours before the event begins.

In case of family emergency please contact the director as soon as it is reasonable to do so. Regardless of whether the absence is excused or unexcused, alternative assignments (see 'Alternative Assignment Research Paper' above) may be given in lieu of attendance at an outside rehearsal/event.

Missing Other Classes

Occasionally, band/orchestra/colorguard may cause you to miss other classes. Please check with your teachers ahead of the absence to get any missed assignments or to make up tests. When band/orchestra/colorguard is the reason for your absence from another class, you may be allowed to use the music class period immediately following the day we missed class to make up a test/study session for that class. Please be sure to check with the director before missing your music class for make-up due to *any* absence.

Grades in Zangle (Parent/Student Connect)

Current grades are available on Zangle. Concert credit is attached to your main class (per. 1-7). In the event you are participating in two main ensemble classes, you still only need to do one concert credit per semester. Make sure you circle all class periods (1-7) you are enrolled in when submitting your concert credit.

Clovis Unified School District/Clovis West High School Code of Ethics

Overview

The following Code of Ethics applies to all students who represent Clovis West in any co-curricular program. The student will be asked to make this commitment prior to the start of the season/activity, and abide by its conditions for one calendar year from the signing date. During the summer vacation this code is still in force. The Code is a statement of responsibility and understanding for a student who freely chooses to represent the school. No statement can express the excellence of performance for which we hope all students will strive. There is no substitute for school pride and good judgment.

Student/Parent Commitment

We, the student and parent or guardian of the student, understand that the student will abide by the C.U.S.D. Code of Ethics. We also understand that when the student signs the Code of Ethics he/she is to follow the stated rules twenty-four hours a day, seven days a week, during the one calendar year following the signing. The student is also subject to the school rules while at school or at a school related activity.

Appearance

The co-curricular program holds a very prominent place on a campus and in the community. Appearance, expressions and actions always influence people and their opinion of our students, the program and the school. Each participating student of C.U.S.D. has the responsibility to uphold the C.U.S.D. dress code when at school and representing C.U.S.D. at a co-curricular event. An individual coach/advisor may set a stricter dress code policy, but may not be more lenient than the district dress code as stated in Board Policy 2150. If the coach/advisor chooses to set a more strict policy, he/she will furnish that policy in writing to students/parents, with prior approval of the school site athletic/activities director.

Attendance

We understand regular attendance is expected of all our students and habitual absenteeism will result in disciplinary action. A participating student must be in attendance the day of the performance (half of the day unless he/she has a doctors appointment or is excused by the school principal) or in school the day prior to performance on a non-school day, to be eligible for participation. Students are also expected to attend all classes the day following a school contest.

Academic Eligibility

We understand the academic eligibility requirements set forth by C.U.S.D.:

- Passing a minimum of four subjects
- Grade Point Average Requirements - A student must earn at least a 2.0 grade point average in all enrolled classes for the prior grading period in order to participate in the current grading period. (Grade 7 - 12). A student who fails to achieve a 2.0 grade point average will be placed on probation for the current grading period provided the student complies with and attends the school's tutorial assistance program (Co-curricular Study Table. A three-hour per week academic lab). A student who does not achieve at least a 2.0 grade point average during the probationary period shall be excluded from participation in extracurricular activities during the subsequent grading period. The grading period in C.U.S.D. is six weeks.
- Progress Towards Graduation Requirements - The following number of accumulated units towards high school graduation will be standard for minimum achievement:

Sophomore, fall semester	55 units
Sophomore, spring semester	80 units
Junior, fall semester	110 units
Junior, spring semester	135 units
Senior, fall semester	165 units
Senior, spring semester	195 units

A student who does not accumulate the required number of units towards high school graduation will be placed on probation for the current semester. A student who does not achieve the necessary number of units by the end of the probationary semester shall not be allowed to participate in extracurricular and co-curricular activities the following semester.

Please Note: Effective October 15, 2004, any student participating in a co-curricular program that attends a party or gathering where alcohol or other controlled substances is present and the student stays at the party, the student will be suspended from participation in his/her activity or sport for a minimum of two weeks with no "buy back" opportunity. The student may ask for a hearing where extenuating circumstances can be heard. This rule will be applied 24 hours a day, 7 days a week while the student is under the code of ethics or the supervision of a coach. If there is a class involved (PE, choir, cheer), the student will be expected to attend class but will not be allowed to participate in performances, games, etc. The student will be on non-privilege status.

VIOLATIONS WILL RESULT IN A CO-CURRICULAR BOARD HEARING AND APPROPRIATE DISCIPLINE WILL BE DETERMINED

ATHLETIC/ACTIVITIES BOARD: The board will be composed of a minimum of three people per case.

- a. Deputy Principal
- b. Athletic Director or Student Activities Director
- c. Counselor/Learning Director

The coach/advisor of the student may not be a board member for that case, but may attend. The board will hear a case within three (3) school days of a request (unless extended by mutual consent or circumstances beyond our control), and inform the student of its decision as soon as possible. Any board meeting will be restricted to the board members, school officials, the student, and parents (any exception must be cleared through the Deputy Principal's office). The athlete needs to be aware that if they are allowed to return to their team, their standing on the team, and any individual end of the season/year honors, will be affected.

Parent/Guardian Code of Ethical Conduct and Expectations

The purpose of this Parent Code is to develop parental support and positive role models in all CW co-curricular activities. In the tradition of excellence, the purpose of all co-curricular activities at Clovis West High School is to promote the physical, mental, moral, social, and emotional well-being of each student. Parents/guardians are an integral part of this process.

Expectations

As a Clovis West High School parent/guardian, I agree to:

- Be a positive role model for my student, the school, and community.
- Display positive attitude and behavior. Adult behavior affects student behavior.
- Show respect for all participants, parent volunteers, judges, directors, and staff.
- Assist in providing for student safety and welfare at all times.
- Encourage my student to attend school regularly and excel academically.
- Inform my student of the dangers of using and discourage the use of any illegal drugs, alcohol, and tobacco.
- Help my student carefully consider the time and commitment that will be required of them when joining an instrumental music program. This commitment should not be compromised once a Clovis West student joins the program.

Grievance Procedure

It is Clovis West's school policy that grievances should not be addressed during or immediately following any rehearsal, festival, or competition. If a situation arises where a parent/guardian wishes to meet with a director or staff member, or address a specific issue or complaint, the following steps should be followed:

- Request a meeting at school with the director.
- If your concern is unresolved, arrange an appointment with the performing arts administrator/learning director.
- If your concerns are still unresolved, the appeal process outlined in the CUSD Policy will apply.

Audition Policy

Several of our advanced ensembles require an audition in order for the student to be considered for participation. Auditions may also take place for position and/or seating within any of our ensembles. The Directors & Staff go to great lengths to fairly and impartially evaluate the students. To this end, auditions may be recorded. In order for a student to participate in any Clovis West Instrumental Music Audition or be considered for placement in one of our auditioned ensembles, the following must be agreed to:

- All audition results are final once posted.
- While the directors and staff will be happy to discuss with a student or parent what the student may do to further improve for future auditions, the directors and/or staff will not reconsider the audition results.

Permission to Text Message

We request permission for your son or daughter to receive and send text messages to and from the CWHS Instrumental Music Program. Text messages are a valuable communication tool, especially when we travel out of town. All Clovis West Instrumental Music text messages must meet the following criteria:

- Please refer to the website and e-mail communications BEFORE texting a question that could have been answered without contacting a director or staff member.
