Carson City's rich and intriguing history officially celebrates 32 years with Strange Magic as we explore, narrate and theatrically embrace Carson City's beautiful Victorian founding in these seasonal **evening walking tours,** led by **Madame Curry (**a spirited and historically fictional character named after the widow of Carson City's founder, Abe Curry) and her **Spirit Wranglers**. These ghostly and witty community spirits lead you through Carson City's Historic and Haunted West Side highlighting the stories and legends of the Wild West town.

This is officially the 32nd season of the Carson City Ghost Walk. The evenings are a delightfully spooky and enjoyable way to experience Carson City's Victorian Era and diverse history. Hear about lingering spirits of the long ago centuries, strange magic, haunted and paranormal stories and gossip from the past. This is a spirit lead, guided walking tour of the downtown district's west side historic homes and businesses. Tours meet at The McFadden Plaza in downtown Carson City.

FEATURES:
The west side of Carson City was settled in the late 1850's at the beginning of the largest silver rush in history. It was a time of great prosperity, discovery and excitement as Nevada became the "battle born" state in 1864.

Some of the **outside** stops along the tour include:

- **The Bliss Mansion** – Built by Duane Bliss is a three story, 8,500 sq ft. mansion that was completed in 1879, built by millionaire Duane L. Bliss, to become his dream home.
- **Ferris Mansion** - Home of George Ferris, Jr., inventor of the Ferris Wheel for the Chicago World Columbian Exposition in 1893.
- **The Governor's Mansion** - Is situated on the beautiful Mountain Street, or as Madame Curry calls it: "Celebrity Row". In 1907, the "Mansion Bill" and neighbor Mrs. T.B. Rickey made this residence possible 40 years after Nevada became a state. There are many spirits linked to this mansion and area.
- **Rinckel Mansion** - Built by the fortune of Mathias Rinckel, a forward-looking meat magnate who struck it rich supplying Gold Rushers and Lake Tahoe lumbermen.
