Cabin Mate Request (limit one) _____ Referred by _____

Cabin Mate Requests: We try to place campers who are within one grade level in school, and within one year of age, in the same cabins. We allow each camper to make ONE cabin mate request (no siblings please). We do not guarantee placement, but will make every effort to honor it if BOTH CAMPERS REQUEST each other. Our counselors are trained to build cabin unity and to ensure that each camper feels welcome from the moment the program begins.

Refund Policy: In order to balance the fluid nature of family schedules with a successful and reliable program experience for all participants, the Wenatchee Valley YMCA uses the following refund policy:

Cancellation requests received 30 days prior to the registered summer program start date may receive a refund for camp/program fees with the exception of the non-refundable deposit. Registration deposits may be transferred to another 2018 summer program session if arrangements are made 30 days prior to the initial program's start date. Cancellation requests received more than 15 days, but less than 30 days, prior to the registered summer program start date will result in the forfeiture of the entire fee if the space cannot be filled. If the space is filled, then all payments with the exception of a \$25.00 processing fee and the non-refundable deposit may be refunded.

Cancellation requests received less than 15 days prior to the registered summer program start date will not be eligible for a refund of any portion of fees paid, except in the case of an unforeseen medical situation verified by a note from a physician. There is no partial refund for late arrivals or early departures. And, no refund will be issued for participants that do not complete a program.

Transfer Request: All transfer requests are subject to a \$10.00 service fee which must be paid at the time of the request. Program payments are only transferable if arrangements are made 30 days prior to the initial program start date. Requests received less than 30 days prior to the initial program's start date will not have the deposit transferred.
