LDP and CDP Camps

Although these program run consecutive weeks, participants will return home on Fridays and then need to return to camp during check in time on Sundays. Camp is closed Friday evening through Sunday afternoon. This provides a much needed break for teens to get adequate rest. It also provides an opportunity for them to reflect on and share their experiences with family and friend(s).

TRANSPORTATION

Parents are responsible for arranging transportation to and from camp (see Directions on last page). This allows parents a great opportunity to see Lake Wenatchee YMCA Camp; and, it also facilitates a smooth transition for campers to adjust to new surroundings.

BALANCE OF CAMP FEES/FINANCIAL ASSISTANCE

Full payment for camp must be received 3 weeks prior to the camp start date. If any balance is outstanding as of this date, the camper may be canceled out of the camp and his/her spot filled with a child from the wait-list. If the camper remains registered, a \$20.00 late fee will be assessed and is due with the camp balance immediately. No child should miss out because of temporary financial challenges. If finances are a concern, please contact the Wenatchee Valley YMCA to find out more about financial assistance. Participants may also help earn their way to camp by selling Butter Toffee Peanuts.

CAMP REFUND POLICY

In order to balance the fluid nature of family schedules with a successful and reliable program experience for all participants, the Wenatchee Valley YMCA uses the following refund policy:

- Cancellation requests received 30 days prior to the registered summer program start date may receive a refund for camp/program fees with the exception of the non-refundable deposit. Camp registration deposits may be transferred to another 2018 summer camp session if arrangements are made 30 days prior to the initial camp's start date. However, all transfer requests are subject to a \$10.00 service fee which must be paid at the time of the request.
- Cancellation requests received more than 15 days, but less than 30 days, prior to the registered summer program start date will result in the forfeiture of the entire fee if the space cannot be filled. If the space is filled, then all payments with the exception of a \$25.00 processing fee and the non-refundable deposit may be refunded.
- Cancellation requests received less than 15 days prior to the registered summer program start date will not be eligible for a refund of any portion of fees paid, except in the case of an unforeseen medical situation verified by a note from a physician. There is no partial refund for late arrivals or early departures. And, no refund will be issued for campers that do not complete a camp.

T-SHIRT AND PHOTO

Each year Lake Wenatchee YMCA Camp runs a T-shirt contest where youth grades K-10 submit a T-shirt design. The winner's design will be the official camp T-shirt. The lucky winner also receives a full week of LWY Camp! Second and Third place winners receive \$50 towards a LWY Camp. These T-shirts are sold in advance or at check-in for \$25. Lake Wenatchee YMCA Camp also offers a photo of all campers and staff taken on the first day of camp. The photos are sold in advance or at check-in for \$5. All *pre-purchases are to be made by contacting the Y's Registrar or they may be purchased with cash or check during check-in on the first day of camp. T-shirts will be picked up at check-in and photos will be picked up at checkout.

CAMPER MAIL & CARE PACKAGES

Campers love to receive letters or care packages from home. The following are two options to send mail:

Snail Mail:

Your Camper's Name
Cabin/Counselor (if known)
Camp Name and Session Date
c/o Lake Wenatchee YMCA Camp
15263 Northshore Dr
Leavenworth, WA 98826

E-Mail: campermail@lwyycamp.org

In the subject line:
Your Camper's Name
Cabin/Counselor (if known)
Camp Name and Session Date
Camper e-mail will be checked by 5:00 p.m. daily.

Although food from home is a symbol of love and care, the storage of food items in cabins attracts insects and animals. Therefore, food and/or drinks are not allowed. In advance, thank you for your cooperation.

CELL PHONE POLICY

Participants are not allowed to bring cell phones to Lake Wenatchee YMCA Camp because of the possibility of loss, the potential for distraction from group activities and our past experience with inappropriate usage. If we observe cell phones in use during the above programs, they will be confiscated and given to parents at the end of the session.

HOMESICKNESS

When children are away from home they may, on occasion, feel homesick. However, part of the camp experience is to allow children to become more self-reliant and independent while in a safe and fun environment. Upon arrival, children immediately meet camp staff. This allows them to have a positive initial contact. If you suspect that your child may experience some separation anxiety, please make every effort to have a quick good-bye. Prolonged partings typically make the transition more difficult on both the child and the parent(s). Once you have left, feel free to check in with the Camp Director. As a caution, letters or e-mails that focus on the "missing you" seem to make children more homesick rather than providing comfort. Please know that Campers do not have access to a telephone. If your child is struggling with homesickness, we will make every effort to contact you. And, if need be, have you speak with your child to provide reassurance.

HEALTH CARE

During camp, licensed medical personnel reside at the Lake Wenatchee YMCA Camp. Should a camper experience any major accident or illness while at camp, the parent(s) are notified immediately. In cases of minor illness, parents are informed only if the camper requires continuous care and/or observation for more than 12 hours. The Camp Director reserves the right to send a child home if medical personnel so advises. If you plan to be away from home for a few days, please provide the Camp Director with your temporary address and telephone number. At check-in, campers will be given a brief health screening. Health codes do not permit us to admit children with head lice or nits. In addition, Y Camp cannot admit children with conjunctivitis (pink eye). Due to the nature of our programs, the Wenatchee Valley YMCA does not offer a peanut free facility or programming.

Routine Medications:

The following is a list of routine medications given at camp. Please advise us on the Participant Health Information Form if, for any reason, you do not want your child to receive these medications.

Medication

Tylenol (acetaminophen)
Motrin (Advil, ibuprofen)
Benadryl (diphenhydramine) oral and topical
Americaine (Solarcaine), topical spray
Triple Antibiotic ointment, topical ointment
Cepacol Lozenges
Saline Eye Wash Solution
Tums

Reason for Use

minor headache
minor muscle ache, menstrual cramps
minor rashes/itching, minor bee sting/insect bites
minor sunburn, minor abrasion
minor cuts and scrapes
minor sore throat without fever
minor eye irritation from dust or insect repellent
Minor upset stomach

Once again, these medications are used only for routine care and treatment as identified above. Oral medications are used very conservatively. As an initial treatment for most headache and muscle ache complaints, rest and hydration are encouraged. Any condition which is associated with fever, significant inflammation and/or lack of response to the above outlined treatment will result in a consultation with the camper's parent and the camp medical personnel.

Camper Medications:

All prescribed and non-prescribed/over-the-counter medications brought to camp must be in the original container and clearly labeled. A Medication Authorization and Administration Form must be submitted 3 weeks prior to camp start date for processing. This form must be signed by both the parent and the camper's physician. Camp's licensed medical personnel will administer medications at the proper times. Medications will not be administered (other than camp "routine medications") without the physician and parent signed form. You can access the Medication Authorization and Administration Form at www.lwycamp.org, www.wenymca.org or by contacting the Wenatchee Valley YMCA, 509-662-2109.

INSURANCE

The Wenatchee Valley YMCA does not carry accident or medical insurance on participants. All medical expenses incurred while involved in Lake Wenatchee YMCA Camp activities are the responsibility of the participant's parents or their insurance carrier.

CAMP SAFETY

The programs and facilities of the Lake Wenatchee YMCA Camp are regularly reviewed by the Wenatchee Valley YMCA Board of Directors and comply with The Y of the USA standards. In addition, the Lake Wenatchee YMCA Camp is inspected annually by the Chelan County Health Department and by Chelan County Fire District #1.

WENATCHEE VALLEY YMCA CHILD SAFETY POLICY

The safety of children is a primary concern for the Y. The Wenatchee YMCA Board of Directors has adopted the following policies to help provide an environment that will enhance the personal growth and development of children in Y programs.

1. In order to protect Y Staff, volunteers, and program participant's one Y employee or volunteer will never be alone with a single child unobserved by another adult.
2. Employees and volunteers may not be alone with children they meet in Y programs outside of their official Y interaction. Any exceptions require a written explanation in advance and are subject to administrative approval.
3. Reference and criminal background checks are conducted on all employees and on all volunteers who work with children at the time of employment and annually thereafter. Employees and volunteers who work with children receive pre-employment training and annual follow up training on the recognition and prevention of child abuse.
4. Children under the age of six are allowed in Y facilities only when in a supervised Y program or under the direct and constant supervision of a parent or guardian.
5. Y employees and volunteers providing direct care for children will be identified by photo identification or uniform that is familiar to the children with whom they work. Photographs of all Y employees will be kept on file.
6. Y employees and volunteers will not discipline children by use of physical punishment or by failing to provide the necessities of care, such as food and shelter. Y employees and volunteers will not verbally or emotionally abuse children. Physical restraint will only be administered when necessary to protect the child or other children from harm.
7. Y administrative staff will make unannounced visits to program sites. Parents of program participants may make unannounced visits to program sites, accompanied by a Y employee.
8. Y employees and volunteers will be alert to the physical and emotional state of all children in their programs and will report any signs of injury or suspected child abuse.
9. All employees and volunteers working with children sign a Code of Conduct agreeing to abide by Wenatchee Valley YMCA Child Abuse Preventions Guidelines. Any suspicion of a violation of these policies should be immediately reported to the Wenatchee Valley YMCA Executive Director or the Wenatchee Valley YMCA Director of Human Resources at (509) 662-2109.
10. The Y will investigate all reports of suspected child abuse and will follow legally mandated reporting requirements.
