BALANCE OF CAMP FEES

Full payment for camp must be received 3 weeks prior to the camp start date. If any balance is outstanding as of this date, the registration may be canceled and the cabin released to wait-listed requests.

CAMP REFUND POLICY

In order to balance the fluid nature of family schedules with a successful and reliable program experience for all participants, the Wenatchee Valley YMCA uses the following refund policy:

- Cancellation requests received 30 days prior to the registered start date may receive a refund for camp/program fees with the exception of the non-refundable deposit. Camp registration deposits may be transferred to another 2018 family camp session if arrangements are made 30 days prior to the initial camp's start date. However, all transfer requests are subject to a \$10.00 service fee which must be paid at the time of the request.
- Cancellation requests received more than 15 days, but less than 30 days, prior to the registered program start date will result in the forfeiture of the entire fee if the space cannot be filled. If the space is filled, then all payments, with the exception of a \$25.00 processing fee and the non-refundable deposit, may be refunded.
- Cancellation requests received less than 15 days prior to the registered program start date will not be eligible for a refund of any portion of fees paid, except in the case of an unforeseen medical situation verified by a note from a physician. There is no partial refund for late arrivals or early departures.

In addition, the Lake Wenatchee YMCA Camp is inspected annually by the Chelan County Health Department and by Chelan County Fire District #1.

WENATCHEE VALLEY YMCA CHILD SAFETY POLICY

The safety of children is a primary concern for the Y. The Wenatchee YMCA Board of Directors has adopted the following policies to help provide an environment that will enhance the personal growth and development of children in Y programs.

1. In order to protect Y Staff, volunteers, and program participants one Y employee or volunteer will never be alone with a single child unobserved by another adult.
2. Employees and volunteers may not be alone with children they meet in Y programs outside of their official Y interaction. Any exceptions require a written explanation in advance and are subject to administrative approval.
3. Reference and criminal background checks are conducted on all employees and on all volunteers who work with children at the time of employment and annually thereafter. Employees and volunteers who work with children receive pre-employment training and annual follow up training on the recognition and prevention of child abuse.
4. Children under the age of six are allowed in Y facilities only when in a supervised Y program or under the direct and constant supervision of a parent or guardian.
5. Y employees and volunteers providing direct care for children will be identified by photo identification or uniform that is familiar to the children with whom they work. Photographs of all Y employees will be kept on file.
6. Y employees and volunteers will not discipline children by use of physical punishment or by failing to provide the necessities of care, such as food and shelter. Y employees and volunteers will not verbally or emotionally abuse children. Physical restraint will only be administered when necessary to protect the child or other children from harm.
7. Y administrative staff will make unannounced visits to program sites. Parents of program participants may make unannounced visits to program sites, accompanied by a Y employee.
8. Y employees and volunteers will be alert to the physical and emotional state of all children in their programs and will report any signs of injury or suspected child abuse.
9. All employees and volunteers working with children sign a Code of Conduct agreeing to abide by Wenatchee Valley YMCA Child Abuse Preventions Guidelines. Any suspicion of a violation of these policies should be immediately reported to the Wenatchee Valley YMCA Executive Director or the Wenatchee Valley YMCA Director of Human Resources at (509) 662-2109.
10. The Y will investigate all reports of suspected child abuse and will follow legally mandated reporting requirements.
