

BIG SHOTS KIT ORDER

Dear Big Shots players and parents,

We would like to give you the opportunity to order our specially designed badminton kit for the Big Shots clubs at Littleport, and Hurst (CRC). We would encourage all players to order one t-shirt/polo shirt (or more) of their choice in order to promote a sense of 'team' when training and competing, with other items available as optional extras.

The kit is the same Kukri design we have ordered previously, so you will hopefully have seen examples at the sessions. They are personalised into the club colours with the Big Shots logo. The shirts are made of 'S-spire': a breathable high-performance fabric. The shirts and hoodies can be personalised with a name (first name, surname or nickname) which can appear above 'Big Shots' on the back, for an extra £3.50 per item.

We are delighted to continue our sponsorship by Top Spin Tennis, and highly recommend their shop and racket stringing service to all our players. We are most grateful for their generous contribution to our kit costs this season.

As part of their support of Big Shots, Top Spin would also like to offer £2 off any restring, and 20% of RRP on all rackets, shoes and bags if you mention that you are a member. For more details call into their shops in the Sports Centre at Hills Road Sixth Form College (restringing and badminton kit), and the Lawn Tennis Club on Wilberforce Road (just restringing) or visit www.topspintennis.co.uk.

The hoody and polo shirt designs:

The junior hoody has no drawstrings for safety reasons.

Please complete the order form carefully, referring to the attached sizing guide as necessary, and return to us by 19 September via email (badminton@bates.net), post (to Sarah Bates, 8 Burling Walk, Milton, Cambs CB24 6DX) or in person at training. We can only accept orders with payment. The deliveries can take up to six weeks after they are all placed, and we want to get cracking so the players get use of the equipment for a much of the season as possible.

Feel free to get in touch with any queries,

Daniel Bates, Sam Scharf & James Wilson
