

# *JUNIOR CHOIR 2014-2015*

at St. Mark's Church

The Junior Choir is ready to reconvene!

*All children & youth, 6 years and up are welcome.  
No prior experience is necessary.*

Rehearsals begin on November 9th at 9:20 am.

This is a wonderful opportunity for our children to be formed within the context of worship *and* to learn that they too have valuable gifts to offer in God's service.

**RSVP** to the church office:

### *What to expect:*

St. Mark's Reformed Episcopal Church worships with best-quality traditional church music and hymnody, believing that being in the Lord's service requires a *best* effort, not merely a first effort.

Following a season of recent growth, the re-establishment of an ongoing Junior Choir is a priority to provide future music and leadership in the Church at large. Junior Choir membership is *the first service ministry available to young people* and can be a critical component of *securing discipleship and leadership at this stage of a young Christian's life*.

The St. Mark's Junior Choir can be expected to learn diction, how to sing on pitch, rudiments of musical notation, how to sing within a group to create work pleasing to both God and His people, and how to serve the Lord with gladness.

The Junior Choir repertoire is *joyful and Scriptural*, with many important lessons from the Bible taught from the texts of the anthems. The choristers can expect to learn musicianship, Scripture, Christian service, and that young Christians can have a great time while doing all of this!
