Company Profile

Munsee-Delaware Nation Child Care Centre is part of a greater community support system for our families. We work hard to create an inviting, caring, warm and safe environment where parents are encouraged to participate as the families grow and learn together. We believe that all children are naturally motivated to explore, discover and learn. Providing them an enriched environment that supports their freedom to explore will encourage them to become learners who are self motivated.

Our understanding of children and families has evolved over time and is influenced by experience, collaboration with families as partners. We understand that all families are different and that a child's most important teachers are their parents, who want what is best for their children and who know them best.

INTERESTED APPLICANTS: Please submit your resume, covering letter, current CPIC with vulnerable sector check preformed, copy of supporting documentations, 2 work related letters, 2-character reference letters in a sealed envelope marked to the attention of:
