Wildlife Mixed Media Workshop with Tara Houston

Alpine Artisans, Inc. announces Pacific Northwest Artist Tara Houston for our 2-day May 26-27, 2018 workshop. Her

specialty is encouraging you to discover the unlimited possibilities of drawing and painting wildlife with mixed media. With over 20 years experience as a professional wildlife artist, Tara has a passion for combining several mediums

together to form lifelike works of art on canvas and paper. Utilizing mediums such as watercolor, acrylics, water mixable oils, chalk pencils, pastels, colored pencils, pen, and graphite; Tara will take you through the stages from sketch to completed masterpiece discussing color theory, composition, light, values, perspective, as well as animal fur and feathers, grass, clouds, water, and more! A fantastic learning experience for the novice or professional painter.
