

you're now just three answers away from a career and life you love

This isn't about making giant leaps or perfect choices. Choosing on purpose *is* about making choices that are right for you right now—for growing into your future. Whether you're just starting out, or in a life-work transition period, *Choose on Purpose for Twentysomethings* helps you do (and keep doing) the things that make your life HAPPEN!

biggest reasons to use this book:

- You get the 3 criteria you can count on to make major life-work decisions
- "Flying Start" section—move from planning to *doing* within days
- Create choices when you don't seem to have any
- Smart ways to involve your family, friends, and mentors
- Tips for moving forward faster with groundbreaking conversations

PLUS: A corporate insider's pick for the best resume, cover letter, follow-up, and more

start doing things that pull you closer to what YOU want (even while you're still figuring that out)
