 From: Office of Institutional Research & Assessment
 Date: April 28, 2011
 Dept/Unit: Academic Council
 AP Title: Biblical Worldview Assessment

Actions to Be Taken:

The Academic Council will consider ways by which to assess a student’s Biblical Worldview and will adopt or develop a Biblical Worldview assessment instrument.

Tied to COAP Objective/Outcome:

Core Knowledge and Skill #4: Develop the principles necessary for a biblical worldview resulting in a dynamic understanding of one’s role in relation to God, self, and the world.

Responsible Party:

Academic Council

Timeline:

4/28/2011	Plan Implemented
1/1/2012	Plan Accomplished

Costs/Line Item*:

None anticipated other than staff-hours devoted to task.

Accompanying Documents:

None

* An Action Plan is developed if a project can be performed utilizing the current unit resources available. Otherwise, a Strategic Planning Initiative should be developed when a project calls for additional resources and requires CIEP, Cabinet or other administrative approval.
