

Lancaster Bible College  
**SAMPLE OF OUTCOME ACTIVITIES**  
**PROGRAM/UNIT MISSION STATEMENTS**

<b>Program/Unit</b>	<b>Mission Statement</b>
Admissions	Recruit and enroll Christian men and women who have potential for undergraduate education and a commitment to full time Christian ministry.
Early Childhood Education Program	To prepare and equip students to teach from a Biblical worldview in preschool and day care facilities.
Elementary Education Program	To train, from a philosophy base which reflects a Biblical worldview, elementary education students to serve the community as teachers in public and private schools.
Graduate School	To provide quality graduate education and friendly efficient student/faculty support services in a professional manner that enhances the mission of Lancaster Bible College.
Health, Physical Education and Athletic Department	The HPEA department supports the overall mission of the college of preparing men and women to serve in Christian ministries through the holistic development of the student in the physical, social, educational, spiritual, intellectual, and emotional maturity.
Master of Arts in Counseling Program of Mental Health	This degree program will provide training that will give entry-level qualification for mental health counseling opportunities, state licensure and professional certification.
Master of Arts in Ministry Pastoral Studies Program	This degree program will provide individuals in church and church related ministries the essential leadership and pastoral skills, and theological integration to the practice of ministry to produce competent servant leaders for the church.
Plus 20 Degree Completion Program	To foster adult education principles by maintaining a cohort system, utilizing collaborative learning principles, and by recognizing prior learning achievements.
Professional Counseling Program	Students who complete the Biblical Counseling program will be able to understand the character and responsibility of the person who is a Biblical counselor.
Registrar's Office	The purpose of the Registrar's Office is to service the enrollment needs of students, faculty, administration, and staff in a manner that enhances and supports the mission and goals of LBC so that the educational process proceeds without burden or interruption.
Secretarial Studies Program	All graduates of this degree program will have a depth of understanding in secretarial studies.
