★ INNOVATION EXPO | #IFTEXPO20 | CTA IFT GRANTS ★

Launch Your Teacher Dreams at #IFTEXPO20

Set your weekend in motion by meeting some of CTA's most innovative teachers!

Join us at the Pre-GTC #IFTEXPO20 where you will be inspired by a glimpse at how educational dreams came true for forty-two CTA members in 2019-2020. The Institute for Teaching (IFT) awards Educator Grants (up to \$5,000) and Impact Grants (up to \$20,000) and distributed nearly \$600,000 for classroom projects and activities thanks to our members' voluntary dues contributions! Meet the teachers who received these grants. Ask them questions. Get help with the grant writing process. Get ready to submit your proposal for the 2020-2021 school year! *Dreams do come true!*
