

## BUILDING CAPACITY BEYOND 2020

JOIN US FOR A DYNAMIC DIALOGUE AMONG COUNTRIES,  
INTERNATIONAL ORGANIZATIONS, CIVIL SOCIETY, AND  
EXPERTS TO MOVE THE AGENDA FORWARD ON CAPACITY  
BUILDING

---

**WHEN:** FRIDAY, 23 NOVEMBER, 9:00AM-1:00PM

**WHERE:** RIO PAVILION

REFRESHMENTS AND LUNCH WILL BE SERVED

---

Through interactive Davos-style round table discussions, the event aims to bring together key actors that work on capacity building in biodiversity with a twofold purpose:

1) **introspect** over the past decade of implementation and critically understand the successes, failures, and key takeaways;

2) **identify** and inform our future action to support the implementation of the post-2020 Global Biodiversity Framework and the post-2020 Long-Term Strategic Framework for Capacity Building

Organized by UN Environment, this event is in collaboration with CBD Secretariat, GEF Secretariat, IUCN, UNDP, CARICOM Secretariat, SPREP, UN Environment - WCMC, and the African Elephant Fund

## Agenda

9.00 am - 9.15 am **Brief welcoming remarks**

9.15 am - 10.40 am **Session 1: Experiences: From Global to National**  
A facilitated discussion among governments, international organizations and experts as well as with participants to explore experiences in capacity building, lessons learnt, and key takeaways. Input presentations by the GEF Secretariat and IUCN.

10.40 - 10.50 am **Coffee and refreshments**

**Photo exhibit will be on display**

10.50 am - 12.15 pm **Session 2: Into the Future: the post-2020 frameworks**  
A facilitated discussion among panelists and the audience that is forward-looking and prepares the ground for post-2020 capacity building, in the context of global commitments, including the SDGs. With input presentation by the CBD Secretariat.

12.15 pm - 1.15 pm **Lunch courtesy of GEF Secretariat, featuring the IUCN Commission on Education and Communication**
