

30: DEVELOPING A HEART OF PRAYER JUNE 2015

SUNDAY MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY

Imagine with us what it would be like if we committed to praying every day for 30 days

- How would God move in our lives?
- Who would God bring to our church?
- What anxieties would be relieved and what questions would be answered?
- How would the ministries of First Church Melbourne expand?
- What relationships would be healed, renewed, and restored?

You are invited to develop your life of prayer over the month of June. This calendar is a tool designed to give you a thought or Bible verse to help you pray. Experiment with the best time of day for prayer, finding your own rhythm.

When in town, commit to prayer each Sunday through worship. Join us for a special prayer event on Sunday evening @ 6:30PM. Take note of the church-wide events listed for prayer each week.

May God bless you on this 30 day journey of prayer!
