

RESEARCH PUBLICATIONS/PRESENTATIONS

SCOTT RICKERT MD

PEER-REVIEWED JOURNAL PUBLICATIONS:

1. Rickert SM, Childs LF, Carey BT, Sulica LS. Laryngeal Electromyography for Prognosis of Vocal Focal Palsy: A Meta-Analysis. Accepted for Publication.
2. Childs LF, Rickert SM, Blitzer A, Sulica L. Patient Perceptions of factors leading to Spasmodic Dysphonia: A combined clinical experience of 350 patients. *Laryngoscope* 2011 Oct;121(10):2195-8.
3. Childs LF, Rickert SM, Lebovics R, Blitzer A. Laryngeal Manifestations of Relapsing Polychondritis and a Novel Treatment Option. Accepted for Publication.
4. Rickert S, Banuchi V, April MM, Stewart MG. Cystic Fibrosis and Endoscopic Sinus Surgery: Relationship between nasal polyposis, and likelihood of revision endoscopic sinus surgery in CF patients. *Arch Otolaryngol Head Neck Surg* 2010 Oct;136(10):988-992.
5. Johnson PE, Rickert SM, Jones J. Duration related efficacy of postoperative antibiotics following pediatric tonsillectomy: a prospective, randomized, placebo-controlled trial. *Arch Otolaryngol Head Neck Surg*. 2009 Oct;135(10):984-7.
6. Rickert S, Sulica LS. Cricoid Chondrosarcoma presenting as Breathly Dysphonia. *Ear Nose Throat J*. 2009 Oct;88(10):1144-6.
7. Tabae A, Lando T, Rickert S, Stewart MG, Kuhel WI. The Practice Patterns, Safety, and Rationale for Tracheotomy Tube Changes: A Survey of Otolaryngology Training Programs. *Laryngoscope*. 2007 April;117(4):573-576.
8. Shrime MG, Tabae A, Hsu AK, Rickert S, Close LG. Synechia Formation Following Endoscopic Sinus Surgery and Middle Turbinate Medialization. *American Journal of Rhinology*. 2007 Mar-Apr;21(2):174-179.
9. Tabae A, Hsu AK, Shrime MG, Rickert S, Close LG. Quality of life and complications following image-guided endoscopic sinus surgery. *Otolaryngology Head Neck Surgery*. 2006 Jul;135(1):76-80.

BOOK CHAPTER PUBLICATIONS:

1. Rickert SM, Childs LF, Blitzer A. 'Office Based Injection Laryngoplasty'. Dailey S (ed): *Laryngeal Dissection and Surgical Guide*: 2011.
2. Childs LF, Rickert SM, Blitzer A. 'OR-Based Injection Laryngoplasty'. Dailey S (ed): *Laryngeal Dissection and Surgical Guide*: 2011.
3. Rickert SM, Blitzer A. 'Sialorrhea' in Benson B, Guss J, Blitzer A (eds): *Botulinum Neurotoxin Management of Head and Neck Disorders*. New York: Thieme Publishing Group, 2011.
4. Rickert SM, Blitzer A. 'Facial Dystonia' in Benson B, Guss J, Blitzer A (eds): *Botulinum Neurotoxin Management of Head and Neck Disorders*. New York: Thieme Publishing Group, 2011.
5. Meyer T, Rickert SM, Childs L, Blitzer A. 'Spasmodic Dysphonia' In: Stacy MA, ed. *Handbook of Dystonia*. New York: Informa, 2011.
6. Novakovic D, Rickert SM, Blitzer A. 'Office-based Laser Treatment of Oral Premalignant Lesions'. 2011.

7. Rickert SM, Childs LF, Blitzer A. 'Correction of Facial Asymmetry' in Cohen J(Ed): Botulinum Toxin in Dermatology: Cosmetic and Clinical Applications. Oxford: Blackwell Publishing Limited, 2011.
8. Rickert SM, Zur KB. 'Disorders of the Pediatric Voice' in Wetmore RF, McGill TJ, Muntz HR (Ed): Pediatric Otolaryngology: Principles and Practice Pathways. New York: Thieme Publishing Group, 2011.
9. Rickert SM, Handler SH. 'Diseases of the Salivary Glands' in Wetmore RF, McGill TJ, Muntz HR (Ed): Pediatric Otolaryngology: Principles and Practice Pathways. New York: Thieme Publishing Group, 2011.
10. Tadros M, Rickert SM, and Close L. 'Treatment of Frontal Sinus Fractures' in Regan, T (Ed): Advanced Therapy in Facial Plastic and Reconstructive Surgery. New York: People's Medical Publishing House, 2010.
11. Stewart MG, Rickert SM. 'Subjective and objective outcomes after revision sinus surgery,' in Kountakis S, Jacobs J (eds): Revision sinus surgery. New York: Springer Publishers, 2008.

ARTICLES/CHAPTERS PENDING PUBLICATION:

1. Rickert SM, Rachakonda T, Hiltzik DH, Kacker A. Microbiology of Chronic Sinusitis in Patients Undergoing Primary and Revision Functional Endoscopic Sinus Surgery. (to be published, presented at Combined Section Meeting 2010).
2. Rickert SM, Cohn S, Kazahaya K. Unilateral hearing loss and prolonged QTc (presented at CI 2010)
3. Rickert SM, Dunham B, Kazahaya K. Role of Successful Preoperative Embolization in Juvenile Nasopharyngeal Angiofibroma Surgery (presented at COSM 2010)
4. Laryngotracheal Reconstruction for Laryngeal Trauma after a dog bite to the neck – A case report and review of the literature (presented at COSM 2010)
5. Rickert SM, Didomenico F, Murry T. Reflux related findings in patients with Paradoxical Vocal Fold Motion (to be published, presented at Voice Foundation 2010)
6. Hsu AK, Rickert SM, Wallerstein RJ, April MM. Familial Congenital Bilateral Vocal Fold Paralysis - A Novel Gene Translocation (presented at Eastern Section 2009)

COURSE FACULTY

1. Cleft and Craniofacial Disorders, NYU Steinhardt Department of Communicative Sciences and Disorders, 2011.
2. Voice Disorders, NYU Steinhardt Department of Communicative Sciences and Disorders, 2011.
3. Pediatric Foreign Body Airway Course, Children's Hospital of Philadelphia, Feb 2011.
4. Pediatric Foreign Body Airway Course, Children's Hospital of Philadelphia, Feb 2010.

PROFESSIONAL PRESENTATIONS:

1. Comprehensive Otolaryngology Management in the Craniofacial Patient, New York University Langone Medical Center, October 2011.
2. Updates and Innovations in Pediatric Laryngology, Moderator and participant for miniseminar at AAO-HNS meeting, September 2011.

3. Negotiating Jobs and Contracts, Grand Rounds, Department of Otolaryngology, New York University Langone Medical Center, August 2011.
4. Ear Disease in Cleft and Craniofacial Patients. New York University Steinhardt Department of Communicative Sciences and Disorders, August 2011.
5. Laryngeal Airway Anatomy, Physiology, and Pathophysiology, New York University Steinhardt Department of Communicative Sciences and Disorders, July 2011.
6. Neonatal Airway Obstruction, Grand Rounds, Department of Otolaryngology, New York University Langone Medical Center, July 2011.
7. Complex Airway Cases, Daly Day Lecture, Department of Otolaryngology, New York University Langone Medical Center, June 2011.
8. Laryngeal Electromyography for Prognosis of Vocal Focal Palsy: A Meta-Analysis (ALA 2011)
9. Intubation Granuloma of the Membranous Vocal Fold (ALA 2011)
10. New hoarseness in patients with a history of laryngeal radiation (ALA 2011)
11. Novel Treatment of Idiopathic Subglottic Stenosis with use of immunosuppressive medication (mycophenolate mofetil) (ABEA 2011)
12. Botulinum Toxin for Rhinitis: A Double Blind, Placebo Controlled Pilot Study with Quantitative Measurements of Efficacy (TRIO 2011)
13. Thulium Laser Dacryocystorhinostomy for Symptomatic Epiphora (TRIO 2011)
14. Botulinum Toxin as Safe, Effective Treatment for Recurrent Sialoceles after Parotid Surgery (TRIO 2011)
15. Spasmodic Dysphonia Triggers: A combined clinical experience of over 300 patients (ALA 2011)
16. The Utility of Trial Vocal Fold Augmentation Using Saline (ALA 2011)
17. Laryngeal Manifestations of Relapsing Polychondritis And a Novel Treatment Option (ABEA 2011)
18. Unilateral hearing loss and prolonged QTc (CI 2010)
19. Role of Successful Preoperative Embolization in Juvenile Nasopharyngeal Angiofibroma Surgery. (COSM 2010)
20. Laryngotracheal Reconstruction for Laryngeal Trauma after a dog bite to the neck – A case report and review of the literature (COSM 2010)
21. Reflux related findings in patients with Paradoxical Vocal Fold Motion (Voice Foundation 2010)
22. Microbiology of Chronic Sinusitis in Patients Undergoing Primary and Revision Functional Endoscopic Sinus Surgery. (Combined Section Meeting 2010)
23. Familial Congenital Bilateral Vocal Fold Paralysis - A Novel Gene Translocation (Eastern Section 2009)
24. Cystic Fibrosis and Endoscopic Sinus Surgery: Relationship between nasal polyposis, and likelihood of revision endoscopic sinus surgery in CF patients. (COSM 2008)
25. Duration related efficacy of postoperative antibiotics following pediatric tonsillectomy: a prospective, randomized, placebo-controlled trial. (ASPO 2008, co-author, Charles Ferguson Award – 2nd place)
26. Augmentation Rhinoplasty Using Combined Auricular Cartilage & Gore-Tex Implants in Asian Patients. (AAFPRS 2008)
27. A Pilot Study of Robot-Assisted Cochlear Implant Surgery Using Steerable Electrode Arrays (AAO-HNS 2007, NYC OTO/HNS Resident Research Symposium 2007 – 2nd place)
28. Extralaryngeal Grand Rounds, Columbia-Presbyterian Hospital, January 2007.
29. Extralaryngeal Grand Rounds, Weill-Cornell New York Hospital, September 2006.
30. Synechia Formation Following Endoscopic Sinus Surgery and Middle Turbinate Medialization (COSM

2006, NYC OTO/HNS Resident Research Symposium 2006)
