NATURAL RESOURCES WATER QUALITY PROGRAM
NOXIOUS WEED MANAGEMENT

Landowner or Ranch Name	Social Security # if using Landowner Name Federal Tax ID # if using Ranch Name
Address	Phone #

I am applying for cost-share assistance to help defray the cost of chemical treatment for:

Name of noxious weed: _____

Application period: SPRING FALL of year: _____

The producer agrees to have a certified private or commercial pesticide applicator apply recommended chemicals for controlling the above state noxious weed and chemicals will be applied according to label specifications. **Approved chemicals and application dates can be found listed on the backside of this document.**

Location of Practice:(*List here or attach map of areas to be sprayed.*)

____ Acres in ____ ¹/₄ of Section ____ Township ____ Range ____ County _____

____ Acres in ____ ¹/₄ of Section ____ Township ____ Range ____ County _____

____ Acres in ____ ¹/₄ of Section ____ Township ____ Range ____ County _____

Applicant's Request					Practice Units Completed		
Product	Unit of Measure	# of Units	Cost Per Unit	Total Estimated Cost	# of Units Used	Actual Cost Per Unit	Total Actual Cost
				\$			
Total Estimated Cost							
x 45% Cost-share rate							
\$400 Maximum Assistance				\$	Total Actual Cost Paid		\$
					x 45% Cost-share rate		
					Total cost share to be paid		\$

The Upper Loup NRD agrees to provide up to \$400.00 for treatment of Noxious weeds. The maximum assistance is not to exceed 45% of the cost of the chemical and surfactant used or \$400.00, whichever is lower.

 NRD Representative Date

The undersigned agrees that the spraying has been completed to label recommendations and has included a copy of the invoice that shows the amount and cost of the products used.

I have reviewed the above claim and find it is a proper claim for payment.

 NRD Representative Date
