Message from the President AWCA

Thanks to those members that attended our year opening meeting held at Amiskwaciy Academy on Sept. 27th with a special thanks to those carvers that attended from Killam, Alberta. It was a great start to the year with carvers signing up for the four Tuesday Night classes. As of Oct 1, there continues to be room in all classes - so sign up soon while you can still get the class you want. The club has moved our classes to the Industrial Arts Lab along with an adjacent classroom on the main floor across from the front entrance.

I would like to thank Don Delaney for agreeing to take over as AWCA Newsletter publisher and Website manager. I look forward to working with Don to keep all members informed and up to date.

Our AWCA Website is currently under construction as we look at new software and format.

Bob

Current News

- Carving in the Park

Plans are underway for next year's "Carving in the Park" to be held at the Arts Barn in Sherwood Park. – to date the information is as follows

Carving in the Park: July 24th – 29th, 2012.

Bob Guge will offer a 6 day open winged Cedar Waxwing at a cost of \$690.00. Byron Crabbe will be offering a six day optional course of a pouncing Fox or a Big Horn Sheep at a cost of \$490.00. Both classes will be a minimum of 10 people. Beth Crabbe will be teaching three individual basket weaving/wall hanging courses.

In addition Bob Guge will be giving a two evening seminar on Tool Making and Habitat at a cost of \$100.00 with an enrolment of 20 people. Person taking previous courses will have first choice before opening up to the other carvers. (More information later in this newsletter)

- **AWCA Raffle 2010/11**

The AWCA will be continuing with its Carving Raffle for the 2011/12 carving year. Many thanks to Kathleen Norton and Cheryl Hepperle for agreeing to coordinate the tickets for this important fundraiser. Tickets will be available to AWCA members in the near future. Tickets will be 3 for \$5.00 with three prizes: 1st prize is a White Breasted Nuthatch by Jean Minaudier, 2nd prize a Curlew by Bob Lavender and a third prize of a Baby Duck.

- **Reflections of Nature Show – Saskatoon**

Just a reminder that the “Reflections of Nature Show” will be held in Saskatoon on Oct 21st, 22nd, and 23rd. Those who cannot attend but wish to send entries to the competition should discuss this with Glenn Maber or one of the other AWCA members who are going to Saskatoon. More information about the show can be found at www.saskwildlifeart.com

- **Membership**

Members are asked to renew their memberships early this fall. Memberships remain at \$25 per carver with a family rate of \$25.

There will be a revised membership form for the 2011/12 carving year that will include a waiver for the AWCA regarding injury as a result of an individual's use of power tools, knives etc. It was felt that the current membership form was lacking in this area, leaving AWCA in an awkward position. In addition carving instructors will be asked to take a few minutes to review SAFTEY at the beginning of this year's courses especially with new carvers.

- **Tuesday Night Courses**

The goal of our Tuesday night carving classes is to provide a setting for beginning carvers to learn basic carving skills and provide opportunities for intermediate and advanced carvers to continue their learning. AWCA is unique in this regard and is constantly looking for ways to improve this aspect of its educational programs. There have been some changes in the Tuesday night programs this year to reflect the nature of our club's members and the time our instructors have to offer courses. These changes are as follows:

- We will be offering half-year (11 weeks) classes at a cost of \$150 plus a shop fee to cover the cost of teaching materials, blank, eyes etc.
- In addition, there will be full-year (20 weeks) classes at a cost of \$300 plus the shop fee.
- Classes will have a minimum enrolment of 6 students.
- Carvers joining classes later in the year will be assessed a prorated fee.
- In order to encourage new carvers, our beginner Loon class will be offered for the full year (this year 15 weeks) at a cost of \$175 with membership and shop fee included. There will be no minimum enrolment for this course.

- Junior carvers under the age of 15 will be provided free classes but must be accompanied by an adult.
 - The AWCA library, clothing and carving supplies have been transferred to the new site and are available to carvers on Tuesday nights.
 - Parking is in front of the school and also in the parade across from the front entrance.

- **Images of Nature Show 2012 (Note New Dates)**

This year's Images of Nature Show will be held at the Strathcona Arts Barn (our usual venue) **April 27th – April 29th 2012**. The Alberta Wildlife Carving Association will sponsor two purchase awards with additional community based purchase awards to be announced this fall. AWCA 2012 Purchase Awards are as follows:

- \$750.00 for the best **life-size songbird**, M/F decorative or slick with suitable habitat.
- \$500.00 for the best **any-size water-bird** M/F (loons, grebes, storks, etc.), decorative or slick.

- **Grant – Alberta Foundation for the Arts**

The Alberta Wildlife Carving Association is pleased to announce receipt of a \$5200.00 grant from the Alberta Foundation for the Arts in support of our club related activities.

- **AWCA Carving Calendar**

We will be posting a carving calendar on our Website as part of its redesign. The calendar will be continuously updated and will contain information about our

carving club as well as important carving shows and courses. The newsletter calendar will focus on the upcoming two to three months.

- New Procedures: Royal Alberta Museum

Carvers interested in borrowing Museum skins are asked to call Gary Erickson at the Royal Alberta Museum (780-453-9180) well in advance (two weeks). Carvers will be contacted when skins are ready to be picked up. Skins are to be picked up and dropped off at the Back Security Door. Skins are not to be removed from the containers and you must have care at all times.

2012 Basket Weaving- Edmonton Course Description

This course is designed for you to learn and create, while having fun.

Two one and a half day basket weaving classes will happen over the first four days of the school. Using various widths of reed, students will learn basket weaving techniques to create and finish two baskets. They will choose from a variety of natural and hand-dyed reeds, as well as yarn to incorporate their own colour choices during the weaving.

Project One: TBA basket : JULY 24-25

You will find this basket very useful and beautiful. It measures about 11 x16 x 5", has many options for the decorative design in the basket walls, and both handle grips are lashed for sturdiness.

Project Two: Wall Hanging JULY 26-27

This basket was originally constructed to gather and carry eggs, so it has a distinctive "gizzard or buttock" shape to the bottom. It is round, about 10" across and 5 ½" high, excluding the handle. You will make your colour and textural choices in the middle design section, as well as in the handle treatment.

Project Three: TBA Basket JULY 28-29

This basket was originally constructed to gather and carry eggs, so it has a distinctive “gizzard or buttock” shape to the bottom. It is round, about 10” across and 5 ½” high, excluding the handle. You will make your colour and textural choices in the middle design section, as well as in the handle treatment.

Both classes are suitable for beginners, or those with some experience.
All basketry materials will be supplied by the instructor.

Materials cost is 25.00 per basket.

Students will need to bring their own tools, as follows:

- plastic dishpan-type tub
- tape measure
- reed cutters ie. pruning shears, heavy scissors
- awl or nut pick
- clothespins
- pencil
- old towel
- plastic/vinyl apron
- Optional: small planer

Beth Crabb- Weaving Biography

Beth started weaving in 1991 at Crete Nebraska, and learned willow weaving in Sask. She is largely self-taught, and enjoys creating her own designs. Her work in watercolour and clay influence the development of her weavings. Beth has been teaching basketry for over ten years. Her baskets have been exhibited in Moose Jaw at Yvette Moore's Gallery, Creative Photographics, the Moose Jaw Museum and Art Gallery, and Lumsden's Letterbox Gallery. In 2007 she was selected as one of three artists to represent Moose Jaw in Ottawa on July 1, to celebrate Moose Jaw as one of the Cultural Capitals of Canada. In 2011 Beth was juried into the Sask. Craft Council. Her weavings are in collections across Canada.

FEE: 1ST CLASS \$125.00 + MATERIAL FEE \$20.00 PER BASKET
2ND CLASSES \$200.00
3RD CLASSES \$275.00
