7 ADMINISTRATION

7.1 Enrollment and ADA Update – Erika Del Real

As of April 14, 2017, 248 students were enrolled and had an ADA of 95.33%. However, two returning students, siblings, will resume after spring break. Therefore, we expect the enrollment to remain at 250 since we now have a healthy wait list for the current school year. The goal was to keep the 250 student enrolled and increase the ADA to at least a 96% by the second P2 report that was due in mid April. The report showed an ADA of 249.3, which is higher than expected and planned. The average of the K-2nd grade classes is still at 24 and the maximum capacity is 25.

7.2 Staffing for 2017-2018 – Dr. Juanita Perea

Teacher contracts were drawn and signed before spring break. A new instructional assistant named Hugo Aguayo was hired. He will begin working after spring break. He has his B.A. Degree and has a 30 day substitute permit issued by CTC.

7.3 City of Salinas Permit for Outdoor Space Update

The City of Salinas Building and Planning Department has granted an extension. They had canceled the permit as of April 3, 2017. After two meetings with city officials, they re-instated the permit and we were able to proceed with the project. The project is to be completed by the end of May of 2017. Wane Dilbeck and Son's Company is doing the sidewalk, handicap parking and the light pole. JR Fencing is replacing the chain link fence for an ornamental rod iron fencing.

7.4 Saturday Academy, Spring Break Session and Art Classes Update

Saturday Academy will be offered twice a month to make up student absences. The same staff members might be able to continue. We will have a follow up meeting to finalize the details. Although a survey was sent out to the families to get their input about the spring break session and over 90 families responded expressing a desire to have their children attend spring break classes to make up their absences. A meeting will be held on Monday, March 27, 2017 to plan accordingly. However, after doing a preliminary P2 ADA report it was decided that there was no need to offer classes during spring break. Report showed a 249.3 ADA, which was much higher than anticipated. Nacho Moya is a local artist who has extensive experience teaching young students as well as adults. He will start teaching art to Oasis' adult community members every Saturday from 9:00-1:00 p.m. as of April 29, 2017. No childcare will be provided. Art classes will be offered in both languages, English and Spanish. Snacks will be provided. This is an attempt to do have more community building activities to get the parents involved in other school activities. Family participation has declined significantly since volunteer hours became optional versus being required.

7.5 School Events

- GALA Student Performance event was held on March 29, 2017 at the Exhibition Hall from 6:30-8:00 p.m.

It was a well-attended event. A survey was conducted.

- AVID Science Family Night held on April 5, 2017 from 6:30-8:00 p.m.

This event was well attended by families and guest. Eliza was in charge of organizing the pasta dinner for the event. It was NOT a fundraiser event, instead it was academic and educational. A survey was conducted.

- The next Chicken BBQ is scheduled for Saturday, April 8, 2017 from 11:00-3:00 p.m.

Eliza will have a brief report to present.
