## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Oasis Charter Public School  
Salinas, CA

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Oasis Charter Public School (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Oasis Charter Public School

## **Opinion**

In our opinion, the financial statements referred to on page one present fairly, in all material respects, the financial position of the School as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated October 30, 2016 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

## OASIS CHARTER PUBLIC SCHOOL

### NOTES TO THE FINANCIAL STATEMENTS For the Year Ended June 30, 2016

#### **NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Nature of Activities* – Oasis Charter Public School (the School), operated by Under Construction Educational Network, Inc., is a California non-profit public benefit corporation funded principally through State of California public education monies received through the California Department of Education. The School currently offers grades K-6 and serves approximately 225 students.

The charter may be revoked by the sponsoring District (Alisal Elementary School District) as specified in the State Education Code.

*Cash and Cash Equivalents* – The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

*Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

*Basis of Accounting* – The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

*Functional Allocation of Expenses* – Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

*Basis of Presentation* – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Financial Accounting Standards Board.

*Net Asset Classes* – The School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Net assets of the School consist of the following:

- Unrestricted: All resources over which the governing board has discretionary control to use in carrying on the general operations of the School.
- Temporarily restricted: These net assets are restricted by donors to be used for specific purposes. The School does not currently have any temporarily restricted net assets.
- Permanently restricted: These net assets are permanently restricted by donors and cannot be used by the School. The School does not currently have any permanently restricted net assets.

**OASIS CHARTER PUBLIC SCHOOL**

**NOTES TO THE FINANCIAL STATEMENTS  
For the Year Ended June 30, 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Receivables** – Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2016. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

**Property, Plant and Equipment** – Property, plant and equipment are stated at cost if purchased or at estimated fair market value if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset.

**Property Taxes** – Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

**Compensated Absences** – The School does not allow employees to carryover unused vacation. Accordingly, there were no accumulated compensated absence benefits at June 30, 2016.

**Revenue Recognition** – Amounts received from the California Department of Education are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in temporarily restricted net assets.

**Contributions** – All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as temporarily restricted. Restricted contributions that are received and released in the same period are reported as unrestricted revenue. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair market value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Income Taxes** – The School is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files informational returns in the U.S. federal jurisdiction, and the state of California. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

OASIS CHARTER PUBLIC SCHOOL

NOTES TO THE FINANCIAL STATEMENTS  
For the Year Ended June 30, 2016

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Evaluation of Subsequent Events* – The School has evaluated subsequent events through October 30, 2016, the date these financial statements were available to be issued.

**NOTE 2: CONCENTRATION OF CREDIT RISK**

The School maintains cash in the County Treasury (the County). The County pools these funds with those of other educational organizations in the county and invests the cash. These pooled funds are carried at costs which approximates market value. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool. The County is authorized to deposit cash and invest excess funds by California Government Code Section 53648 et. seq. The funds maintained by the County are either secured by federal depository insurance or collateralized. The fair value of the School's deposits in this pool as of June 30, 2016, as provided by the pool sponsor was approximately \$166,729.

The School also maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

**NOTE 3: PROPERTY, PLANT AND EQUIPMENT**

Property, plant and equipment in the accompanying financial statements is presented net of accumulated depreciation. The School capitalizes all expenditures for land, buildings and equipment in excess of \$1,000. Depreciation expense was \$48,191 for the year ended June 30, 2016.

The components of property, plant and equipment as of June 30, 2016 are as follows:

|  |                          |
|--|--------------------------|
| Building                                       | \$ 664,616               |
| Furniture, fixtures, equipment                 | <u>80,998</u>            |
|  | 745,614                  |
| Less accumulated depreciation and amortization | <u>(221,847)</u>         |
| Property, plant and equipment, net             | <u><u>\$ 523,767</u></u> |

**NOTE 4: EMPLOYEE RETIREMENT**

**Multi-employer Defined Benefit Pension Plans**

Qualified employees are covered under multi-employer defined benefit pension plans maintained by agencies of the State of California.

## OASIS CHARTER PUBLIC SCHOOL

### NOTES TO THE FINANCIAL STATEMENTS For the Year Ended June 30, 2016

#### **NOTE 4: EMPLOYEE RETIREMENT**

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the School chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The School has no plans to withdraw from this multi-employer plan.

#### **State Teachers' Retirement System (STRS)**

##### **Plan Description**

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. Plan information for STRS is not publicly available. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2015, total plan net assets are \$181 billion, the total actuarial present value of accumulated plan benefits is \$242 billion, contributions from all employers totaled \$2.55 billion, and the plan is 68.5% funded. The School did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826 and [www.calstrs.com](http://www.calstrs.com).

##### **Funding Policy**

Active plan members hired before December 31, 2012 are required to contribute 9.20% of their salary and those hired after are required to contribute 8.56% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. Under the 2014 funding plan, employer contributions on compensation creditable to the program will increase every year for the next seven years, up to 19.10% in 2020–21. The required employer contribution rate for year ended June 30, 2016 was 10.73% of annual payroll. The contribution requirements of the plan members are established and may be amended by State statute.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Oasis Charter Public School  
Salinas, CA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Oasis Charter Public School (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, cash flows and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated October 30, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
