Message to all HOME and Federal Low Income Housing Participants from the Georgia Department of Community Affairs (DCA)

DCA is requesting the cooperation of all of its industry partners and recipients in completing a brief survey related to Fair Housing. The results of this survey will be used in program planning and will impact DCA programs such as HOME and the Federal Low Income Housing Tax Credit program as well as industry participants and Georgia citizens. Please take a few minutes to complete this important survey.

As a recipient of federal funds, it is DCA’s responsibility to promote non-discrimination and ensure fair and equal housing opportunities for all. In an ongoing effort to provide services and activities on a nondiscriminatory manner and to affirmatively further fair housing, DCA is charged by law to implement and enforce a wide array of civil rights laws, not only for members of the public in search of fair housing, but for HUD funded grant recipients as well.

Thank you,

Laurel L. Hart
Division Director, Housing Finance and Development
