Hosted by Hopewell Weaving and the Twinflower Inn at Bishop Hill

Spring is a great time for a get-away!

Immerse yourself in a creative and relaxing environment as you learn to weave. The schoolhouse offers a beautiful setting to learn something new, meet new friends and enjoy the comforts of this lovely historic village.

Workshop Details

Sample many beautiful weaves and learn how to read weaving patterns.

The looms will be set up and ready for you to weave up to 10 different samples. From twills, to lace weaves to double weave, you will assemble your own sample notebook. The looms will be warped with a variety of yarns and colors. You will learn how to read the weaving patterns that you see in books, and gain confidence in choosing patterns for future weaving projects.

A sample notebook, yarn and use of the loom and equipment is all included in the class fee. Lunch is also included for both days of the class.
