Straps and bands are used for many accessories including handles on purses, straps for musical instruments, and trim on clothing. Using a 4-harness loom allows the weaver to make complex, colorful weaves.

From the inspiring book “Sashes, Straps & Bands” by Ruth Johnston & Ralph Johnston, we will choose colors and a pattern, warp the loom and weave a unique band.

Students may provide their own yarn or purchase yarn from the instructor. If purchased from the instructor, include a materials fee of \$10 with your registration. Perle cotton in a variety of colors will be available.
