

Donate your Motorhome for Paradise Camp Fire Victims

I found 2 motorhomes for Santa Rosa fire victims last year. **Currently 63 dead, 600+ missing, 11,862 structures destroyed.** I will pick up your running motorhome, give you a signed and dated donation letter as your tax receipt, drive your donated motorhome to a vetted Paradise Fire Victim, and send you a copy of their signed ownership for DMV proof.

Call me for more information and to arrange donation.
