### **CASA Sew Day Report – Sue Scott and Donna Bailly**

We had 18 quilters attend very successful CASA sew days. “Finished” was the watchword. Lana Tout and Elna Barton were tireless binding stitchers. Monica Abbott was pressing assistant and several gals quilted... so we didn’t have just Tops! Karen Adams helped sort donated fabrics from “Grammy G” so we are much more organized. We currently have 18 finished quilts with a few being completed at home. There will be a photo album at the meeting. We would like to have the members sign which ones they worked on, as the labels only say Palouse Patchers. Big “Thank You.”

Kathleen Butts’ daughter donated a huge box of juvenile fabrics and coordinates for CASA quilts! All ironed and folded and sorted by subject... all bunnies together... all hearts together etc. Members ready to make a CASA quilt can contact Sue Scott to select fabrics. I’m not bringing them to PP meetings because they might get confused with donated fabric for personal use. We want to make sure CASA gets them all.

Next year we’ll have a sign in sheet, so I can give credit to every participant.  
Sue and Donna
