Woodward Clinics

The Woodward Clinics, owned and operated by the hospital, currently has 7 providers, including specialists in family practice, internal medicine, and obstetrics. Our goal is to provide a practice opportunity for physicians who prefer to focus on taking care of patients more than the business aspects of a medical practice. Visit woodwardclinics.com.

Hospitalist Program

The hospitalist program is staffed by board certified internal medicine and med/peds physicians averaging over 30 years of experience.
