ECHO ART FAIR ANNOUNCES 2014 EXHIBITORS

Buffalo, NY -- echo Art Fair, www.echoartfair.com, releases the list of exhibitors for the 2014 juried fine art fair, which will take place on September 6th and 7th in a 25,000 square foot space in the Buffalo and Erie County Central Library in the heart of downtown Buffalo.

Thirty-seven independent artists and 8 galleries--which represent thirty-eight artists--have been accepted by the jury for the 2014 fair. To view the complete list of exhibitors, visit: www.echoartfair.com/exhibitors.

A wide range of fine art has been accepted in to the fair--from various painting medias, mixed medias, multiple types of photography, sculpture and assemblage. Selected exhibitors hail primarily from Western New York (Buffalo, Niagara Falls, and Williamsville), Rochester, and Ithaca, as well as from Cleveland and Pittsburgh. The states of Massachusetts and Rhode Island will be represented, and Canadian exhibitors will come from Hamilton and Toronto. While 75% of exhibitors are from New York State, submissions from out-of-town applicants grew dramatically.

"The applicant pool for echo Art Fair 2014 was considerably different from the previous three years, with a greater percentage coming from outside the Buffalo area" said fair producer E. Frits Abell. "This is a great development, and speaks to a central mission of the fair: to create a regional fine art fair that brings together artists and dealers in Buffalo and beyond."
