Who's making metro Augusta a safe and enjoyable place to ride your bike for business, fitness, and fun?

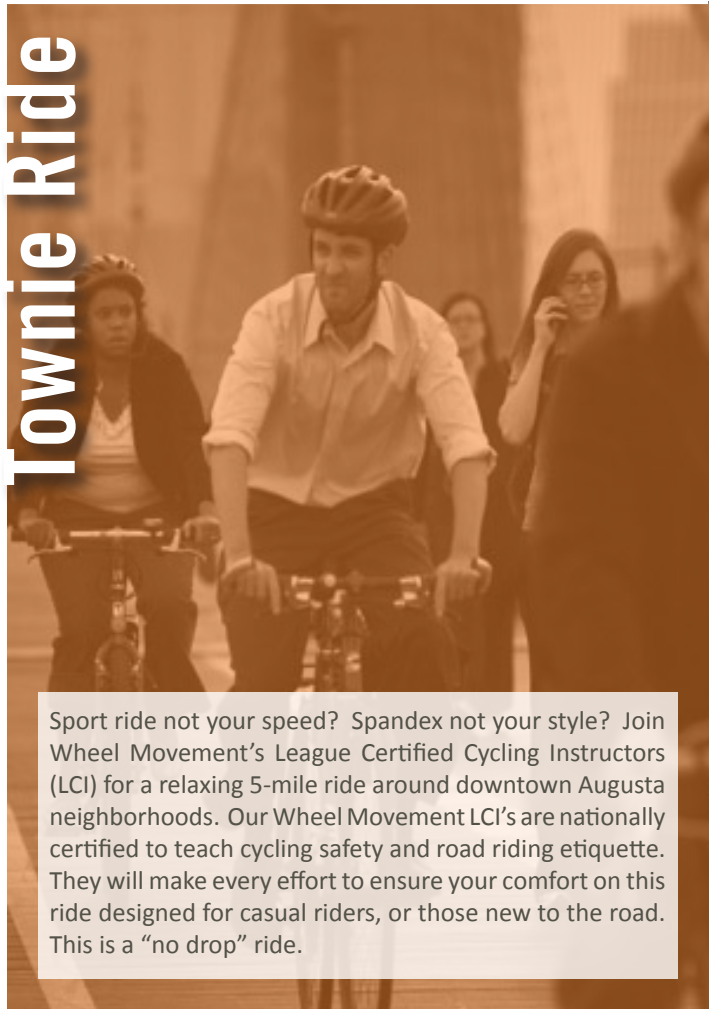

Wheel Movement and you! Find out just how we've been doing that in 2012. Join or renew your membership with Wheel Movement today.

Sport Ride

Need a good workout? Join your friends from the typical Andy Jordan's, Chain Reaction, and Outspokin' Saturday morning rides, as they participate in a 30-35 ride from and to Enterprise Mill through the hills around Beech Island, SC. Ride options will be provided during the morning of the event.

Townie Ride

Sport ride not your speed? Spandex not your style? Join Wheel Movement's League Certified Cycling Instructors (LCI) for a relaxing 5-mile ride around downtown Augusta neighborhoods. Our Wheel Movement LCI's are nationally certified to teach cycling safety and road riding etiquette. They will make every effort to ensure your comfort on this ride designed for casual riders, or those new to the road. This is a "no drop" ride.
