

Rockschool Guitar, Bass and Drum Syllabus 2012

Changeover Arrangements

Rockschool will be launching its new 2012 Guitar, Bass and Drum Syllabuses on 1st May 2012. We would like to announce the following changeover arrangements between this new Syllabus and the current 2006 Syllabus.

UK Examinations

We are not expecting any entries with the new Syllabus in Period B 2012 (1st May to 31st July) as the closing date (1st April) will already have passed by then. The first period in which the new 2012 Syllabus will be valid will be Period C 2012 (23rd October to 15th December).

The current 2006 Guitar, Bass and Drums Syllabus will be valid for examination up to the end of Period B **2013**.

International Examinations

Rockschool will accept examinations using the current 2006 Syllabus until the end of **2013**.
