

First Point

First Point is a single point of access to children's preventative, social care, and specialist services.

First Point, developed by the council and partners, provides access to a range of professional expertise. This will enable better outcomes for children, young people and families.

First Point

- ➔ provides a gateway to children's support services
- ➔ prevents families from having to give the same information more than once
- ➔ enables information sharing across all partners involved in children's services
- ➔ provides advice and guidance to professionals working with families
