GUIDELINES:

- Please make **6** copies of your completed application with the COVER SHEET attached to EACH application and place in PSS Foundation Mailbox by 3:00 PM on Thursday, April 26th.
- Please send an electronic copy of both your cover sheet and your application to Catherine Faris at catherinefaris@gmail.com. This needs to be sent by April 26th as well, with Grant Application in the subject line.
- Applications should be as concise as possible, including only information that is necessary for the committee to consider your grant. Please conserve paper if possible. Both the cover sheet and application are word documents designed for you to easily type your responses.
- Remember to add tax and shipping costs! If you have received a pricing quote that is valid through a certain date, please note this in your grant, too.
- As you consider your needs, please keep in mind the Foundation's mission is to "increase available funding to allow teachers and staff the additional resources required to assure an exemplary education for Pine Street students." Please explore all other avenues for funding before you apply for a PSS Foundation grant.
- The Foundation and our donors would like these funds to have a positive effect on as many children as possible. Let's think "Big Impact!"
- Please contact me if you have any questions.
