BENEFIT FOR DEPUTY JEFF WOOTEN

On January 24, 2014, Deputy Jeff Wooten, a beloved member of the Harris County Precinct One Constable's Office, was involved in a horrific automobile traffic accident involving a suspected drunk driver, causing life changing injuries. Deputy Wooten has worked in Law Enforcement for more than thirty (30) years. He will medically retire from the Constable's Office in the very near future, as the injuries he sustained render him incapable of returning to work.

Please join Constable Alan Rosen and his entire staff as we raise important funds to assist Deputy Jeff Wooten with hospital expenses.

Any donation made is tax deductible, as the Constable's Office established a 501(c)(3) to assist its deputies with expenses such as tragic events like this.

The Precinct One Constable's Office would like to thank the Houston Police Officers' Union for use of its Banquet Hall to have this event.
