

St. Monica Academy

School Board Membership

WANTED:

- Parents who care about shaping St. Monica Academy and its future.
- Those who are willing to share ideas and perspectives.
- People with all types of work and life experience that can be applied to our school.

We are currently seeking new School Board Members!

"I'm interested, but I'm afraid it will take up too much of my time."

School board members all contribute varying amounts of time, usually a few hours per month, depending upon their schedules and roles. We only hold one meeting a month, which lasts one or two hours.

"I don't want to make a three-year commitment."

Not everyone wants to sign on for three years, which is why we are now offering one and two-year terms to the school board. The important thing is that we get to hear your voice.

"I'm afraid I'll get stuck taking minutes or doing something boring."

There are many different roles available: Legal, Environmental, School Enhancement, Hospitality, Fundraising, Marketing, Policy Review, etc. We want you to do something where you feel you can make a difference!

How to Apply

- Active members of the parish, 21 years of age and older, may submit their name and approved application form to the school during the August office hours, or the Parish Office.
- Application forms are available on the school website or in the parish office. Candidates will be asked to give a brief personal history and to state their goals for the School Board. The information given on the application form, along with a photo of the applicant, will be published in the St. Monica Church Bulletin.

If you have any questions, call the school office at (773) 631-7880 and leave your name and phone number.
