Take your papers and pass them to the student sitting behind you. Remember no matter how well or poorly you do, you can still ride on the CTA for \$2.25 if you have a Ventra card.

So, how did you do? If you did well, congratulations! If you bombed, don't worry it won't go on your *permanent record*. Hope you enjoyed our little game. Remember, it was only for fun and possibly for bragging rights in your household or circle of friends. Sort of like the BP Cross-town Cup in baseball.
