Calling all Castaways!

Welcome ashore! When the sea of life gets rough and the weather is stormy, we need to know we are anchored by Jesus in God's love, whether we are sailing off on an adventure or tackling a difficult day at school! The waves may be enormous, the sails stretched to their farthest point and the winds roaring but

...Jesus is our Lighthouse!

Join us on this exciting voyage to adventures and safe harbours. Each Crew sails to new ports and discovers God's power and promises along the way!

We begin each day with our theme and lots of singing at the **Castaway Sing 'n Play**. The fun continues as we play **Ship Rec Games**, dig into yummy treats at the **Tropical Treats Station**, take part in exciting **Bible Discovery**, collect Bible Memory Buddies to remind us of God's Word, and create Bible Point crafts at the **Imagination Station**. We look for evidence of God all around us through 'God Sightings' when we visit **KidVid Cinema** and learn how we can help out others at home and far away.

During the **Sail Away Sendoff** we involve everyone in living what they've learned

We hope family and friends will join in daily for this special time
