New this Year:

If you have been a member in the past, please note the following changes for the upcoming season:

- Flower selection will be more limited this year (particularly after the month of May). We will not be carrying pansies or perennials this year.
- Our hours may be limited through much of the season to Thursday – Sunday, depending on labor. When produce begins in July, we will be open daily through Labor Day.
- Bonus money will only be added to memberships PAID by March 31. You can join the co-op anytime during the season to take advantage of the weekly specials and other benefits, but the money added to your card will be dollar-for-dollar after March 31.
- As described above, from December to March, the bonus money will decrease by 25% each month, encouraging our members to join as early as possible.
- Co-op card can be used starting April 1 instead of May 1 (this includes Easter flowers, mulch and top soil). Call-in orders are preferred, as the store will not be open until Mother’s Day weekend.

Benefits to Joining

- Choose only items you will use! This includes produce, flowers, decorative items, honey, jams & much more
- No set time to pick up times and no need to carry cash - pay with your co-op card
- Exclusive co-op member specials and freebies available each week – members notified by email
- Every dollar you spend on your membership goes directly into the farm and helps us stay in business!

We are open from Easter through October 31 (days/hours TBD). Your membership card will be available at the farm on your first visit. **All money on your card must be used by October 31.** It can be used on any items we sell at the farm (excluding services such as landscaping).
