

Number 5 RLF Loan-Yellowstone Marketplace

Russ Wells completed an application in partnership with his lead lender, Nancy Verschoot, Richland Federal Credit Union, and presented this project to the RLF committee for review. The funding request was for the purchase and renovation of the former Yellowstone Mercantile Building to create offices, retail business pods, and an Italian restaurant.

Russ's mission in the purchase and renovation of the Yellowstone Mercantile is to preserve a historical landmark in downtown Sidney, while creating retail opportunities for business; thus creating jobs and improving the economic environment of the area.
