THE ASTROLOGY OF THE WORLD... AND YOU!

Each year, the New York City Chapter of NCGR invites you to our education conference with a full curriculum in astrology with a focus on a central theme....with something for everyone.

This year's theme is
mundane astrology,
the astrology of the world trends and events,
and how they effect the individual!

Some of New York's leading astrologers will be speaking on the upcoming planetary cycles and what they mean in the world and to you!

Join us for what will be a weekend of learning,
community, fun and hope!

Our speakers will be:

The New York Faculty

Joseph Addeo
Diane Cramer
Meira Epstein
Stephen Fleming
Michael Lutin
John Marchesella
Eileen McCabe
Shirley Soffer

And these other NCGR-PAA

Certified Astrologers
Faith McInerney
Jackie Slevin
Catherine Urban

And...

Tapes & CD's from
previous conferences
will be on sale with Nan
Kaplan, NCGR Archivist

And friends of NCGR
