

# Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

April 16, 2014

During this final week of Lent each class added a sun to their Garden of Faith symbolizing light and the celebration of Jesus' Resurrection. I wish you and your family a very Blessed Easter. Enjoy the extended Easter weekend, school resumes on Tuesday, April 22<sup>nd</sup>.

We enjoyed another fantastic week at St. Hilary. We began our week with a special basketball game between the 8<sup>th</sup> grade basketball players and our faculty. A huge thank you to Northside College Prep High School for allowing us to use their facilities. There was an incredible turnout and fun was had by all! The faculty did manage to pull off a victory even though a few of them did feel some aches and pains the next day. Thank you to Mr. Hirsch and Ms. Salmon for their assistance in organizing this event.

Thank you to Ms. Rath and the amazing 7<sup>th</sup> graders for their performance of the Living Stations. The entire school enjoyed their presentation on Tuesday, April 15<sup>th</sup>. They were very worshipful and were wonderful role models of how we respectfully show our reverence for Jesus and the Lenten season. We will have a Lenten prayer service on Thursday, April 17<sup>th</sup> at 10:00 a.m. in church.

Thank you to Mrs. Maria Hench, Mrs. Margaret Frank, the FSA, and all parent volunteers for another successful book fair. Your donations to the classrooms are much appreciated and allow us to continually update our book selections for our children.

This past weekend we asked your help to fill a truck with donations for Goodwill and as always you obliged. We collected 9,800 items! This is an amazing number but we still need more. A number of people did ask if we would have another truck to fill – they are on a roll cleaning closets. We will have another truck in the parking lot on Sunday, April 27<sup>th</sup> for last minute donations. The challenge with the Chicago Blackhawks ends on April 30<sup>th</sup>. Goodwill will accept gently used clothing, shoes, books, glasses, knick knacks, etc. If you are unsure please ask and I will let you know. FYI – the winning school last year donated 76,000 items. You can track our progress at [www.amazinggoodwill.com](http://www.amazinggoodwill.com), totals are updated each Friday.

Thank you to the many families who have already completed their registration for the 2014-2015 school year, I am so excited to be able to spend another fantastic year with you. There are a number of families who have not yet registered for next year. This is extremely important so that we can plan for the upcoming school year. Teacher contract

offers are pending on our enrollment numbers. The paperwork and fee must be in place in order to hold a seat for your child. If you have misplaced your registration forms please let me know and I will provide a new set for you. If you have any reservations about your child returning next year I ask that you take some time to meet with me so that we can have a productive conversation. Thank you for your understanding and cooperation.

A reminder that for the 2014-2015 school year we will be utilizing the FACTS program for financial assistance rather than the PSAS that was used last year. A link to the FACTS program can be found on our school website [www.sthilarychicago.org](http://www.sthilarychicago.org).

A correction: the gold bar from Fort Knox that Jason presented to the school was a “replica” gold bar not a true gold bar. Sorry for the misinterpretation.

# HOW MUCH PAPER CAN YOUR CLASS RECYCLE?

Call it a rematch! A second chance! Your time to shine! That's right, we're having another recycling contest! Who can beat our November winners? On Tuesday, April 22 we are kicking off Earth Day with a recycling contest!

This contest is again a one-day challenge! Bring all your paper on Tuesday, April 22! There will be early morning and afternoon drop off times so that you don't have to bring all your paper to your classroom!

Paper may be dropped off at the yellow and green recycling bins from 7-7:45 Tuesday morning and after school from 2:30-3:15. Ms. Sexton will be available to weigh your paper and add it to your class' total. Smaller bags of paper may be brought to your classroom.

Remember, we accept all kinds of paper, but we do NOT accept phone books or cardboard. If you bring in shredded paper it must be in a bag. Remember, the amount of paper collected is done by weight. So, look around your house. See what you can find. Call your neighbors, call your relatives! Collect all the paper you can find! Remember, the contest is for one day only!

The **Young Inventor Workshop** was designed to help students imagine, design, test, and create their own toy or game inventions and to engage them in a positive and challenging endeavor that will help develop cognitive abilities, such as creativity and problem solving.

The excitement doesn't stop there! Sharp As A Tack and the Young Inventor Workshop will then provide a means of taking the students' inventions to even greater heights, with professional critiques from our industry experts and the opportunity to show their work off to the public, toy industry and members of the press!

Several award winning game inventors will be visiting our Young Inventor Workshop at Point Dume to work with the students. Parents and local media will be invited to **The Reveal**, where students will present their creations!
