

# Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

May 7, 2014

Congratulations to our 1<sup>st</sup> Communicants! Saturday was a beautiful day, the sun was shining and all of the children were fantastic. We are excited that they were able to receive communion today with the entire school at mass. They will be participating in our May Crowning this Sunday, May 12<sup>th</sup> at the 10:00 mass. All are welcome and encouraged to attend.

Last Thursday we welcomed back Mrs. Whitlock who returned after giving birth to her adorable son Edward. We are happy she is back with us. Unfortunately, we will be saying good-bye to Mr. Michael Trail, our seminarian who has been a very visible energetic addition to our St. Hilary family. Mr. Trail will travel to New York to continue his internship working in a hospital. We wish him all the best and hope that he will come back to visit.

Last Wednesday St. Hilary hosted the annual Battle of the Books. The students who represented St. Hilary were Milan H., Nuala K., Elisabeth P., Maggie M., Michelle T., Deni P., Zheous A., Caitlin L., Lina P., Claire L., and Anastasia P. We competed against St. Tars, St. Techla, Immaculate Conception, and St. Mary of the Woods. The team came in 2<sup>nd</sup> place by just 5 points. They were an incredible group who made all of us at St. Hilary extremely proud. A special thank you to Mrs. Donnelly, who has been our coordinator for a number of years, and to Mrs. Larson who was instrumental in assisting Mrs. Donnelly. Also, thank you to Mrs. Allen who coordinated the refreshments with a number of parent volunteers. This event could not have been possible without everyone working as a team.

Once again I ask that parents refrain from conferencing with the teachers in the morning as the children are entering the building. Please write a note, call the office, or send an email to schedule a conference. Teachers will contact you to make an appointment. It is extremely important that our focus is on the children as soon as they enter. Safety is always our first priority and that is why we have placed teachers at the entrances of the school so that they can be monitored properly. Your cooperation is always appreciated.

If you have watched the news over the past week you have seen the alarming number of schools that have reported instances of Internet pornography. CovenantEyes is a program that equips parents with the knowledge, statistics, and strategies to be aware of things your child may encounter while on the Internet. This program also equips parents for an ongoing conversation of this topic. If you have 30 minutes please watch an unfiltered how-to-guide at <http://bit.ly/watch-unfiltered>. Technology and the worldwide

web is always changing and unfortunately our children are being exposed to many things that are not appropriate, help us keep your child safe.

If you have not yet registered your child for next year please do so immediately. If you have misplaced your registration forms please let me know and I will provide a new set for you. If you have any reservations about your child returning next year I ask that you contact me so that we can have a productive conversation. Thank you for your understanding and cooperation.

A reminder that for the 2014-2015 school year we will be utilizing the FACTS program for financial assistance rather than the PSAS that was used last year. A link to the FACTS program can be found on our school website [www.sthilarychicago.org](http://www.sthilarychicago.org).
