

# Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

April 6, 2016

Happy Easter! In the words of Pope Francis, "Jesus Christ is risen! Love has triumphed over hatred, life has conquered death, light has dispelled the darkness!" May we continue to love and live life in the light of the Lord. I hope that you had a wonderful Easter and spent time with family and friends.

Thank you to the Lent Committee for organizing all of the activities for us. During this Lenten season we created a path reminding us of Jesus' journey to his death and resurrection. Time was set aside each morning to pray and reflect on the Passion. In addition, each student completed a section on a stained glass window identifying how they have given of themselves to others. Each afternoon, as a school community, we spent a few minutes in silent reflection to offer a prayer to Jesus and remember the sacrifice he made for us. The faculty on this committee were; Ms. Montemurro, Mrs. Martin, Mrs. Frank, and Ms. Rath.

The ACT Aspire testing will take place next week for 3<sup>rd</sup> – 8<sup>th</sup> graders. It is extremely important that your child is on time for school on these days, once the test has begun students will not be allowed to enter the classroom and will need to make up the test on a different day. These tests are only a portion of our day and academic instruction will continue. There will be light homework and no official tests given. Students who reach their math goals or complete a novel will continue to take the Accelerated Math and Reading tests/quizzes. Please see the enclosed letter for additional information regarding these tests.

Archbishop Cupich invites everyone across the Archdiocese to join together in launching a historic new moment for the Church of Chicago to respond to Christ's call to "*Renew My Church*." What we are undertaking will chart the course for greater vibrancy and vitality of our parishes in the Archdiocese of Chicago for generations to come. As we journey together, let us be filled with hope, confident that we are living in a graced moment. And let us trust in the Lord, knowing the Lord walks with us.

You are invited to share your thoughts about our parishes through participating in a brief anonymous survey. To access the survey, visit <http://www.archchicago.org/renew>.

## Reminders:

***Don't forget to tell a friend about St. Hilary*** and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your testament to St. Hilary School is priceless and we truly appreciate

your continued support and dedication! Help us spread the Good News about all that we have to offer our children.

***Please note 8<sup>th</sup> graders must be paid in full by May. Failure to complete payment will result in loss of participation in 8<sup>th</sup> grade events/activities and possibly graduation. Your cooperation is greatly appreciated. If your account is current, I thank you!***

### **Mark your calendars:**

Deacon Juan Ramirez will hold a VIRTUS class tonight, Wed. April 6<sup>th</sup> from 6:30 – 9:30 p.m. in the rectory basement. Anyone who would like to volunteer for any school or parish events must complete this training. Please sign up for this session at [www.virtus.org](http://www.virtus.org).

The St. Hilary Women's Club is a very important organization not only in our parish but also in our school. This club is comprised of amazing hardworking women who are incredibly dedicated to St. Hilary. I encourage you to support them and attend their Annual Dinner/Auction on Tuesday, April 12<sup>th</sup>.

Have you been looking for a way to get in and out of the kitchen quickly while making a healthy delicious meal for your family? Let Pampered Chef help you! On Wednesday, April 13<sup>th</sup> the Family & School Association will host a demonstration where you can learn how to make easy recipes and learn about amazing kitchen tools. Everyone is invited – tell your family, friends, and neighbors.

The Alumni Association will host St. Hilary nights at The Local Pizzeria at 3352 W. Foster Ave. on April 15, 22, 29, and May 6. Just mention St. Hilary when you place your order and St. Hilary will receive 10% of all purchases on those days. Tell your friends, there is nothing like a Friday Night Pizza Night and you don't have to cook!! The Alumni is excited to be building relationships with local businesses in our community.

June 11<sup>th</sup> will be the St. Hilary Annual Community Fest. This year we will have our Grand Raffle at the Community Fest! More information will be coming.

# Saint Hilary School

Where faith, family, and academics thrive!

April 6, 2016

Dear Parent or Guardian,

During the week of April 11, your child will be taking the ACT Aspire standardized tests. Historically Archdiocesan elementary students have taken the TerraNova test to measure student performance each year. The Archdiocese of Chicago has recently updated its curriculum standards to ensure alignment with national and college readiness standards and has realized that the TerraNova is not aligned to the new standards. As a result, beginning this academic year, students in grades three through eight will take the Aspire test, a standardized assessment that is aligned to the new curriculum standards. The Aspire test is a product produced by ACT. The ACT is the most widely administered college entrance exam in Illinois and is required for admissions to state universities.. All students in grades three through eighth will be taking these tests.

Students will complete tests in 5 key areas: English, math, reading, science and writing. The TerraNova test did not require students to produce an extended written response to a grade-level appropriate prompt and Archdiocesan educators are enthusiastic about having this important skill assessed. This test will measure how well your child has been learning during his/her entire school life, so it is not a test that can be studied for on the night or weekend before it is given. Please note that the Aspire test is aligned to more rigorous curriculum standards that require students to respond to more complex questions. Thus, some students' scores on the Aspire may not be consistent with their previous performance on the TerraNova. This is to be expected and not a cause for concern. Last year, grade eight students across the Archdiocese adjusted to the Aspire test with a high degree of success.

There are, however, some things that you as a parent/guardian can do to ensure that your child does his/her very best on this test next week.

1. Make sure that your child gets sufficient sleep. Being well-rested gives the mind its best chance to think clearly when answering questions on the test.
2. Make sure that your child eats a good breakfast on each of the test days. Without proper nourishment the mind has more difficulty performing well.
3. Express your confidence in your child's ability to do well on the test. Assure your child that you expect him/her to do his/her best. It is best not to make promises of rewards for high scores or punishments for a low score. This only puts undue pressure on your child. He/she may be nervous enough anyway.
4. In May, when you receive a report of the results, go over the report with your child. Please be sure to praise him/her for areas of the test on which he/she has done well. Suggest that there may be ways to improve next year's scores by more diligent studying, more reading, trips to museums, etc. Since many of your child's life experiences, study habits and natural abilities are reflected in this test, good year-long habits of learning are extremely important.

Remember, this test is only one measure of your child's educational performance. His/her daily work and teacher-made tests show what has been specifically learned by your child in class this year. Aspire results will be used to provide insights into the effectiveness of instruction and student achievement.

For more information on the Aspire test, please access the following link: <http://www.discoveractaspire.org/>  
Thank you for your continued partnership in your child's education.
