

Where faith, family, and academics thrive!

Dear Parent/Guardian.

March 15, 2017

Lent is a special time when you can share the concepts of prayer and giving with your children. Take family time each day to offer devotional prayers. Consider as a family how you might help others in need by giving of your time or resources. Even very young children can understand and will enjoy participating in the process.

Yesterday we welcomed our Kaboom project manager, Amy and Mr. Tom Reedy as the children and parents participated in Design Day. There were many wonderful ideas as the children created their "dream playground". We will be receiving three different playground designs that the children and parents will have an opportunity to vote on. We are very excited about this project and look forward to working as a community to provide our children with a play space that they deserve. Thank you to all the parents who were able to join us yesterday, I appreciate you taking the time to support this effort. Don't forget to mark your calendar for our playground build day, Saturday, May 13th.

The Archdiocese is excited to launch a call for 2017 Heart of the School Award nominations! The Heart of the School Award honors our dedicated teachers, administrators and staff members who support our students and Catholic mission every day. Nominations are now being accepted via the website, schools.archchicago.org, today through Friday, April 7 at 11:59 p.m. CT. We are blessed with amazingly dedicated teachers and staff, I hope that you are willing to take some time to nominate one of our own St. Hilary's best!!! Please see the flyer in today's envelope for more details. Thank you, in advance, for your consideration.

Pepsico Recycling Relay update, we are currently #1 in Illinois and #17 nationally. Please continue to recycle your #1 plastic and aluminum cans. This contest ends the end of April.

Thank you:

Thank you to the Men's' Club for hosting a wonderful Corned Beef & Cabbage Dinner and Auction. The food was fantastic and everyone had a great time. Thank you to all the parents who joined us on Saturday and who supported the Men's' Club and our athletic program. A special thank you to the entire faculty who worked with their students to created amazing treasures that were present in the auction.

Your support:

The Women's Club is holding a bake sale the weekend of March 18th-19th, they are looking for baked goods. This is a wonderful opportunity for you to earn service hours. Please consider donating some baked goods. See the flyer in today's envelope. In addition, the Women's Club is hosting a special evening, please see the flyer in today's envelope. This wonderful group of women are very hard working for our parish and school, please consider supporting them.

Reminder:

You only have a few more days to who sign up for GiveCentral e-giving for a chance to be entered into a raffle for a \$100.00 restaurant gift certificate. Please see the flyer in today's envelope. Thank you, in advance, for your consideration.

Thank you to the many families who have already completed their registration for the 2017-2018 school year. There are only a handful of families who have not registered their child for next year. I ask your cooperation in completing this process or contacting me as soon as possible. Classroom assignments cannot be finalized and teacher contracts cannot be offered without these numbers. We do not want to lose any of our fine teachers so don't delay return your registration forms and fee today.

This year, once again, St. Hilary will be utilizing the FACTS management program for our financial aid process. There is a link on our school's website for the FACTS program. This is the same organization that serves as our tuition management program. It is more efficient for everyone to incorporate both of these services in one program. The application is now available for you.

Don't forget to tell a friend about St. Hilary and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your cooperation is greatly appreciated!

Emergency Closing/Cold Weather

Cold weather: Students will be kept in for indoor recess when the temperature is below 25 degrees (actually or with wind chill) or in wet rainy/snowy conditions. Please make sure your child comes prepared to go outdoors – gloves, scarf, hat or hood. This is especially true of those who are on patrol.

Emergency Closing Information

Our School Messenger system will notify you either by phone or email in the event of our school closing due to weather. In addition, emergency closing information will be announced on WBBM Radio Newsradio 780 and WGN Radio 720. The television stations to watch are CBS Channel 2 Chicago, Channel 5, ABC Channel 7 Chicago, WGN Morning News, Fox 32 and CLTV News. On-line you may access information at

<u>www.EmergencyClosings.com</u>. Our website <u>www.sthilarychicago.org</u> will also have closing information. We will close if the Archdiocese is closed as a system, an extremely rare event. You should choose, based on your own judgment and situation, whether or not to keep your child(ren) home.

Our teachers, administrators and staff members are the Heart of our Schools. Our educational mission is lived out by the thousands of dedicated school employees who support our students every day. While our teachers, administrators and staff members do not seek out recognition, it is important that we celebrate their tremendous work. For many years, the Archdiocese of Chicago has honored outstanding Catholic school employees through the Heart of the School Awards.

Who Can Be Nominated: Any current teacher, administrator or staff member or who works in a Catholic school in the Archdiocese of Chicago can be nominated for a Heart of the School Award. Employees can be full or part-time employees, and must work directly for the Catholic school (not a third-party organization).

Who Can Nominate: Nominations can be submitted by any stakeholder at the school (e.g. teacher, staff member, administrator, parent, volunteer, student, etc.).

Nomination Process: To nominate someone for the Heart of the School Award, one of the award areas listed below must be selected and listed on the nomination form. The nomination form also requires a brief (500 word or less) description of why the person should be honored.

All nomination forms must be submitted online at schools.archchicago.org by Friday, April 7, 2017 at 11:59 p.m. CST in order to be considered.

Final award recipients are chosen by a committee of representatives from the Archdiocese's Office of Catholic Schools. Two nominees will be selected from each of the nine award areas. In all, 18 awards will be granted. Winners will be announced in April 2017.

Each Heart of the School Award winner will receive a plaque identifying him or her as a winner, as well as receive a monetary gift. All winners will be honored at a Heart of the School Award luncheon on Thursday, May 11, 2017 from 11:30 a.m. – 1:30 p.m. at Ditka's Restaurant in Oakbrook.

Heart of the School Award Areas

Heart of Excellence: This award is given to teachers who foster the highest quality of teaching and learning in their classrooms. Through rigorous, 21st century instruction, awardees demonstrate an ability to motivate each student to reach his or her greatest academic potential.

Heart of Inclusion: Christ calls us to welcome all who come to us. This award is given to teachers, staff members and administrators who foster inclusion in education by welcoming and serving all students, regardless of their socioeconomic background or the presence of defined learning needs.

Heart of Enrichment: Catholic schools seek to teach the "whole child," providing each child with enrichment opportunities beyond the core subjects. This award recognizes school employees who excel at providing instruction and activities in one or more enrichment area (e.g. art, music, foreign language, physical education, etc.).

Heart of Service: This Award recognizes individuals who provide excellent support to the school community. Often not people who are "front and center," awardees work behind the scenes to assure that the school successfully meets the mission of service to God's children.

Heart of Christ: Christ is the true center of any Catholic school. Recipients of this award are outstanding examples of Christian service, love and compassion. Through both work and witness, they live out our Catholic mission every day.

Heart of Innovation: Excellent educators are willing to innovate, infusing their work with the latest teaching practices and instructional technology. Recipients of this award reflect the ability to successfully serve students through adaptation and innovation.

Heart of Leadership: Recipients of this award demonstrate leadership in their school through mentoring, inspiring others and setting a clear vision. Awardees are not necessarily school administrators, but rather leaders who constantly motivate the school towards excellence, faith and service.

Heart of Connection: Recipients of this award recognize that the school is part of a greater community, and actively seek to build connections with the community and the school. Through successful outreach to parishes, universities and/or other organizations, awardees consistently leverage outside resources to support the school, while enabling the school to benefit the surrounding community.

Heart of the Future: This award recognizes employees who have worked in education for three years or less, and demonstrate outstanding excellence, leadership and service. Awardees are people who inspire those around them with their enthusiasm and support of our educational mission.

Now in its 11th year, Earth Hour is an action of solidarity in the fight against climate change. On March 25th, join the millions of people, businesses, cities, and landmarks—including the Empire State Building—who are standing up for strong climate action by turning off their lights from 8:30 to 9:30pm local time.
