

Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

March 29, 2017

"The classic Lenten approaches are by sacrifice, almsgiving, and prayer. They are beautiful guides to living this season to the full. However, in these stressful times, it is important that we revisit them in ways they can offer us spiritual refreshment and new perspectives. Otherwise, we run the danger of seeing Lent as just another thing to do in our already overburdened lives. Don't miss this Lent. Greater inner freedom, a richer sense of compassion, and a deeper sense of our relationship with God are waiting." –
Lenten Reflections

This is a very exciting time for St. Hilary. We have two major events that are coming up quickly. Many of you are aware of our annual Walkathon. This is our major fund-raiser for school each year. Your financial obligation requires each family to raise at least \$200.00 for this event. While the concept of our walkathon to go out into the community is very unique we are going to try something a bit different this year. In addition, the time frame of this event was also moved from October to April.

We are very excited to introduce the Fun Run!!! This program will kick-off on Monday April 2nd with a Pep Rally hosted entirely by our special Fun Run staff. There are two flyers in today's envelope to introduce this event and more information will be coming home. We will be happy to welcome families to join us on our Fun Run which will take place on Wednesday April 12th at 1:30 pm in the parking lot (weather permitting) or in the gym if Mother Nature does not cooperate.

Our second event coming up is, of course, our playground build. Thank you to all of our children and teachers who voted for their playground and many of our parents who also shared their votes with me. The final tally was extremely close! The St. Hilary playground will be design # 1 and the color scheme will be # 1. This is a very large project where we certainly need a village to make it all possible. In today's envelope you will find a flyer which has a link for volunteers to sign up. Please make sure to get on board right away. Family service hours will definitely be available. If you have already completed your hours I hope that you will still consider helping us make this dream a reality for our children.

Each year our Student Council members sponsor a Lenten service project and host our traditional silent lunch. The purpose of this lunch is to bring light to the darkness of the hungry right here in our community through donations of food items to be given to Care for Real. Your child will need to give up the delicious lunch that they are familiar with; however, we know that they are healthy and will enjoy a nutritious meal when they come home. We understand that some children may not be able to participate in this

lunch due to medical conditions; however, we do ask that they bring a simple lunch so that they can participate in a special way as well. There is a flyer in today's envelope with more details.

Tuesday, April 3rd we will take our spring pictures. This is a great opportunity for siblings to take special pictures together. All students will have their picture taken either individually or with their sibling. A permission form must be completed and returned for sibling pictures, the flyer is in today's envelope.

Special Recognition:

We are extremely fortunate to have a dedicated staff who goes above and beyond for our children and St. Hilary every day. I ask that you consider nominating one of our own for the Heart of the School Award. The Heart of the School Award honors our dedicated teachers, administrators and staff members who support our students and Catholic mission every day. Nominations are now being accepted via the website, schools.archchicago.org, through Friday, April 7 at 11:59 p.m. CT. Please see the flyer in today's envelope for more details. Thank you, in advance, for your consideration.

Your support:

Please consider supporting the amazing ladies of our very own St. Hilary Women's Club by joining them on Tuesday April 3rd for their spring dinner/auction at Monastero's. See the flyer in today's envelope.

Reminder:

There are only a handful of families who have not registered their child for next year. I ask your cooperation in completing this process or contacting me as soon as possible. Classroom assignments cannot be finalized and teacher contracts cannot be offered without these numbers. We do not want to lose any of our fine teachers so don't delay return your registration forms and fee today.

This year, once again, St. Hilary will be utilizing the FACTS management program for our financial aid process. There is a link on our school's website for the FACTS program. This is the same organization that serves as our tuition management program. It is more efficient for everyone to incorporate both of these services in one program. The application is now available for you. All families must completed a financial aid application in order to qualify for any scholarships or financial aid.

Don't forget to tell a friend about St. Hilary and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your cooperation is greatly appreciated!

HEART OF THE SCHOOL AWARD

Our teachers, administrators and staff members are the Heart of our Schools. Our educational mission is lived out by the thousands of dedicated school employees who support our students every day. While our teachers, administrators and staff members do not seek out recognition, it is important that we celebrate their tremendous work. For many years, the Archdiocese of Chicago has honored outstanding Catholic school employees through the Heart of the School Awards.

Who Can Be Nominated: Any current teacher, administrator or staff member or who works in a Catholic school in the Archdiocese of Chicago can be nominated for a Heart of the School Award. Employees can be full or part-time employees, and must work directly for the Catholic school (not a third-party organization).

Who Can Nominate: Nominations can be submitted by any stakeholder at the school (e.g. teacher, staff member, administrator, parent, volunteer, student, etc.).

Nomination Process: To nominate someone for the Heart of the School Award, one of the award areas listed below must be selected and listed on the nomination form. The nomination form also requires a brief (500 word or less) description of why the person should be honored.

All nomination forms must be submitted online at schools.archchicago.org by **Friday, April 7, 2017 at 11:59 p.m. CST in order to be considered.**

Final award recipients are chosen by a committee of representatives from the Archdiocese's Office of Catholic Schools. Two nominees will be selected from each of the nine award areas. In all, 18 awards will be granted. Winners will be announced in April 2017.

Each Heart of the School Award winner will receive a plaque identifying him or her as a winner, as well as receive a monetary gift. All winners will be honored at a Heart of the School Award luncheon on Thursday, May 11, 2017 from 11:30 a.m. – 1:30 p.m. at Ditka's Restaurant in Oakbrook.

Heart of the School Award Areas

Heart of Excellence: This award is given to teachers who foster the highest quality of teaching and learning in their classrooms. Through rigorous, 21st century instruction, awardees demonstrate an ability to motivate each student to reach his or her greatest academic potential.

Heart of Inclusion: Christ calls us to welcome all who come to us. This award is given to teachers, staff members and administrators who foster inclusion in education by welcoming and serving all students, regardless of their socioeconomic background or the presence of defined learning needs.

Heart of Enrichment: Catholic schools seek to teach the “whole child,” providing each child with enrichment opportunities beyond the core subjects. This award recognizes school employees who excel at providing instruction and activities in one or more enrichment area (e.g. art, music, foreign language, physical education, etc.).

Heart of Service: This Award recognizes individuals who provide excellent support to the school community. Often not people who are “front and center,” awardees work behind the scenes to assure that the school successfully meets the mission of service to God’s children.

Heart of Christ: Christ is the true center of any Catholic school. Recipients of this award are outstanding examples of Christian service, love and compassion. Through both work and witness, they live out our Catholic mission every day.

Heart of Innovation: Excellent educators are willing to innovate, infusing their work with the latest teaching practices and instructional technology. Recipients of this award reflect the ability to successfully serve students through adaptation and innovation.

Heart of Leadership: Recipients of this award demonstrate leadership in their school through mentoring, inspiring others and setting a clear vision. Awardees are not necessarily school administrators, but rather leaders who constantly motivate the school towards excellence, faith and service.

Heart of Connection: Recipients of this award recognize that the school is part of a greater community, and actively seek to build connections with the community and the school. Through successful outreach to parishes, universities and/or other organizations, awardees consistently leverage outside resources to support the school, while enabling the school to benefit the surrounding community.

Heart of the Future: This award recognizes employees who have worked in education for three years or less, and demonstrate outstanding excellence, leadership and service. Awardees are people who inspire those around them with their enthusiasm and support of our educational mission.

THANK YOU!

The Book Fair is coming to St. Hilary next week, and we couldn't be more excited! We have books for all ages, including adults! We think you'll be happily surprised at the varied selection and reasonable prices. Books make great birthday and Easter basket gifts. Everyone is invited to stop by to browse and shop for yourself, your child, and other young relatives and friends.

SEE YOU AT THE FAIR

Tues., April 4 & Wed., April 5

Students will visit the fair with their classes to preview the books and make their wish lists.

Thurs., April 6, and Fri., April 7

Students can shop the fair during school hours. If you are sending a check with your child, please make it out to St. Hilary School.

Sun., April 9

The fair will be open to the parish and community after all Sunday Masses. And Clifford the Big Red Dog will be here!

Donate to our libraries

A goal of our Book Fair is to add to and refresh our classroom and school libraries. There are two ways you can help fulfill our teachers' wishes.

- **Classroom Wish List:** Donate books to your child's classroom in your family's name. Be sure to look for the Classroom Wish List display at the fair to see what books the teachers would love to add to their libraries.
- **All For Books:** This program benefits St. Hilary as well as children in need. We are collecting spare change and dollar bills that will be used to buy more books for the libraries. Scholastic will match these monetary donations with a donation to two organizations dedicated to helping kids and families in need: Kids in Distressed Situations and Kids in Need Foundation. Look for the collection container when you stop by the cashier station.

*** VOLUNTEERS ARE NEEDED ***

A great Book Fair can never have too many volunteers! Helping at the fair is a fun way to earn service hours. Please check the volunteer information sheet for more information. If you have some time to help us, please contact Maria Hench at mariahench@gmail.com or 773-620-0642 or sign up online at our SignUp page at <http://signup.com/go/JuMQ99>

2017 Lenten Silent Lunch

On **Wednesday, April 05**, the Student Council is requesting your help for our Lenten almsgiving project to help Care for Real, a local food pantry.

Each student is asked to **bring in one can of food or other non-perishable food** item to donate to **Care for Real**.

On this day, students are also asked to **wear all black** to express our reverence toward this cause.

Students will receive a **small bowl of chicken broth soup, a slice of bread, and a cup of water. No other food will be served in the cafeteria.** If a student requires a heartier lunch due to medical needs, they may bring their own lunch on this day. We do ask that it is a smaller meal to keep with the Lenten tradition of almsgiving. Students will also hear a presentation about our call to serve others.

We hope our Silent Lunch will be a meaningful event for the students of St. Hilary.

We thank you in advance for your support and cooperation.

We can bring light to the darkness of hunger that exists right here in our community.

In the Gospel of Matthew, Jesus says, “For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, in prison and you visited me...Whatever you did for these least brothers of mine, you did for me.”

Color My Plate: Earth Day and School Gardens

In 2017, Earth Day will be celebrated on Saturday, April 22. During this time of year, many schools are involved in projects that emphasize the importance of taking care of our planet. One activity that may interest your school is planting an edible garden. This is a great way to research and grow fruits and vegetables you can harvest and eat. Find out how to get started on your rainbow garden by visiting KidsGardening at www.kidsgardening.org.
