

Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

April 25, 2017

Today is Administrative Professionals Day! Thank you to Mrs. Wolf and Mrs. Ernst for all that you do for the families, students, and teachers every day. These women wear many hats as they rise to meet the requests of everyone here at St. Hilary. It is time to recognize and honor their time, energy, and dedication to all of us.

Congratulations:

I am very proud to share wonderful news with you! Ms. Kelly Lamorena has been selected to receive the Archdiocese of Chicago's 2017 Heart of Enrichment, Heart of the School Award. Catholic schools seek to teach the "whole child," providing each child with enrichment opportunities beyond the core subjects. This award recognizes school employees who excel at providing instruction and activities in one or more enrichment areas.

In a letter to Ms. Lamorena, Dr Rigg, our superintendent states:

"The Heart of the School Awards encompass nine award areas (including yours), and two nominees were selected for each award area. In total, more than 545 nominations of teachers, administrators, and staff members were received for Heart of the School Awards this year. Your nomination was selected for an award because of your outstanding contribution to your school and the students you serve. An excerpt from one of your powerful nominations is noted below."

Kelly really puts her heart into teaching the children and it shows in their excitement and smiles when they perform. Kelly truly shares her gifts with the children and St. Hilary family.

She will be recognized at a special luncheon to celebrate her and her fellow 2017 Heart of the School Award winners on Thursday, May 11, 2017.

The ACT Aspire testing is under way for 3rd – 8th graders. It is extremely important that your child is on time for school this week; once the test has begun students will not be allowed to enter the classroom and will need to make up the test on a different day. These tests are only a portion of our day and academic instruction will continue. Results will be shared with you once they are sent back to us.

Thank you to those who have signed up to assist with our playground build. We are still looking for volunteers! I have been asked if our younger students are allowed to be here on build day. The answer is YES, if they are school age! We do ask that younger siblings not of school age not attend so that we do not worry about their safety. We have a committee who will be providing some fun activities and projects for the younger members of our school and community. Remember that this is a community build for a community space. I am confident that you and your children will be enjoying this space for years to come and your help is necessary to make it happen. Thank you also to those who are able to lend us tools for the day, this helps cut down on expenses for buying or renting these necessary items. If you have not yet signed up to volunteer please see the forms are in today's envelope.

"I am not able to help on build day but I would like to contribute, what can I do?" There are two ways that you can still help: 1. Donations of food to serve approximately 250 volunteers or 2. A monetary donation to help cover either food or to help us maintain the playground. There are two flyers in today's envelope for more information.

Thank you:

A huge thank you to Mr. Mike Isaacson and Tyler!!! Mr. Isaacson has been instrumental in helping to prepare the site for our new playground. This has been a very long and difficult challenge as there are three layers of asphalt that need to be removed. He has volunteered many hours and I am extremely grateful for his time and expertise. The playground would not be possible without this step in the project.

Thank you to the 3rd & 6th grade faith partners for hosting our family mass on Sunday. It is so important to see our children expressing their faith and participating in the liturgy. Thanks to Mrs. Ewen and Mrs. Donnelly, for coordinating this mass. During mass our children reminded us of the importance of bringing peace to others.

Reminder:

Don't forget to tell a friend about St. Hilary and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your testament to St. Hilary School is priceless and we truly appreciate your continued support and dedication! Help us spread the Good News about all that we have to offer our children.

Please note 8th graders must be paid in full by May. Failure to complete payment will result in loss of participation in 8th grade events/activities and possibly graduation. Your cooperation is greatly appreciated. If your account is current, I thank you!

June 10th will be the St. Hilary Annual Community Fest. This year we will have our Grand Raffle at the Community Fest! More information will be coming. If you are interested in purchasing an additional raffle ticket for a chance to win \$10,000 come to the school office or the parish office in the rectory. Tell your family, friends, and neighbors – everyone is welcome to participate. Someone will win, why not you?

We are very blessed to be partnering with Kaboom and Reedy Industries to create a playground.

Reedy Industries is our financial partner and will also be providing approximately 100 volunteers, as well as, t-shirts for all the volunteers.

Our financial responsibility is to raise \$8500.00.

We are extremely fortunate to have an anonymous donor who will match all the funds that are raised in order to meet this goal.

In addition, I was given a very generous donation Monday evening from our amazing St. Hilary Women's Club.

If you are able to make a donation towards the playground, please send it to school in an envelope marked "playground".

It is our vision that this playground and surrounding playspace be a place where children and families can play, gather, and come together as a community for many years to come!

Around the World in a Lunch Period – Mexico

On May 5, commemorate the Mexican victory over the French at the Battle of Puebla. Join the **Culinary Explorations** team for Cinco de Mayo! This holiday is actually more popular in the United States than it is in Mexico with people throwing parties and chowing down on everything from chalupas to guacamole. In honor of the occasion, we will serve a special meal of chicken crisps, special homemade rice, and fan favorite slushies. Did you know . . .

- Staples of Mexican cooking include corn, tomatoes, avocados, beans, chili peppers, meats, cheeses, and rice?
- There are regional differences in cuisine based on geography and local ingredients?
- Vendors in Mexico sell famous "street food" such as gorditas, tamales, and elotes?
- The United Nations Educational, Scientific, and Cultural Organization (UNESCO) has designated traditional Mexico cuisine an Intangible Cultural Heritage?

¡Buen provecho!
