

Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

May 3, 2017

"One looks back with appreciation to the brilliant teachers, but with gratitude to those who touched our human feelings. The curriculum is so much necessary raw material, but warmth is the vital element for the growing plant and for the soul of the child." Carl Jung

This week is Teacher Appreciation Week! We are incredibly blessed with dedicated and caring teachers who do not come to school for fortune or fame they come every day to make a difference in the lives of our children. Take time this week to thank them! National Teacher Appreciation Day is officially on Tues. May 9th.

This Saturday, the 2nd graders of St. Hilary School and our Religious Education program will receive the Sacrament of First Holy Communion. The ceremony begins at 11:00 a.m. in the church. All are welcome to join us and celebrate this special day with our children. Please remember to keep them in your prayers.

Congratulations:

Ms. Mia Montemurro, our 1st grade teacher, was recognized in the Volunteer Spotlight of the Leukemia Lymphoma Society's April newsletter during Volunteer Appreciation Month.

"Mia became involved with LLS first through the Light the Night Walk. Her family walked in honor of her sister, Lisa, who lost her battle with leukemia when she was 22 months old. Mia continued her involvement through coordinating the Student Series Program with St. Hilary School.

Mia wants to honor her sister, Lisa, and her cousin, Maria who struggled with many forms of cancer, the first being Non-Hodgkins Lymphoma. Maria sadly passed away when she was 36. 'Both struggled and yet fought so hard. I want to fight hard for this cause so that my efforts can help bring about a cure,' remarked Mia.

Mia feels that volunteering with LLS has been a rewarding experience because, 'LLS does so much for others and has the best people working for them. You are joining a family of caring, gifted people who sincerely want to help others.'"

Thank you to Mia for teaching your students about making a difference!

Congratulations to Mr. & Mrs. Asp on the birth of their second child. Oden was born on April 12th. Mom and baby are doing well! Mrs. Asp is our Academic Coach.

Last week the students in 3rd – 8th grade took the ACT Aspire tests. We expect the results sometime in June/July. A parent report will be sent home to each family. The faculty and I will be taking a deep dive into the data that we receive from this test in order to better serve each individual student. Our analysis will be focused on individual objectives within each subject area rather than looking at each subject as a whole

We are in the home stretch! Thank you to those who have signed up to assist with our playground build. We are still looking for volunteers! Remember that this is a community build for a community space. I am confident that you and your children will be enjoying this space for years to come and your help is necessary to make it happen. Thank you also to those who are able to lend us tools for the day, this helps cut down on expenses for buying or renting these necessary items. If you have not yet signed up to volunteer please see the form in today's envelope.

"I am not able to help on build day but I would like to contribute, what can I do?" There are two ways that you can still help: 1. Donations of food to serve approximately 250 volunteers or 2. A monetary donation to help cover either food or to help us maintain the playground. There are two flyers in today's envelope for more information.

Thank you:

Thank you to Student Council and the 8th graders for organizing the Pee Wee Pep Rally last week. It was so much fun to see our youngest Cardinals show off their athletic ability and sportsmanship. Thanks to Ms. Montemurro, Ms. Weber and Mrs. Castle for supervising and preparing all the activities.

Thank you to our Athletic Director, Mr. Joe Kummerer for a wonderful year of sports. We honored many of our athletes on Sunday at the volleyball/basketball banquet. Many thanks to our coaches who volunteer all of their time, the parents who make great sacrifices when their children are involved in sports, and the athletes who showed great sportsmanship and continued to bring pride to St. Hilary throughout the season.

Reminder:

It is that time of the year again – your red service hour cards are due. Please make sure that you have completed your 15 hours and return the card to Mrs. Wolf. If you are still in need of hours please contact the school office as soon as possible. Thank you for helping us to provide the many activities and events for our children.

As the year is wrapping up quite quickly I am looking forward to next year. There are many things that need to be addressed, such as, classroom assignments and teacher contracts. Your child's re-registration is critical to this process. There are only a few families who have not yet registered their children for next year, if you have not yet registered your child for next year please do so immediately. The paperwork and fee must be in place in order to hold a seat for your child. If you have misplaced your registration forms please let me know and I will provide a new set for you. If you have any reservations about your child returning next year I ask that you contact me so that we can have a productive conversation. Thank you for your understanding and cooperation.

Don't forget to tell a friend about St. Hilary and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your testament to St. Hilary School is priceless and we truly appreciate your continued support and dedication! Help us spread the Good News about all that we have to offer our children.

Please note 8th graders must be paid in full by May. Failure to complete payment will result in loss of participation in 8th grade events/activities and possibly graduation. Your cooperation is greatly appreciated. If your account is current, I thank you!

June 10th will be the St. Hilary Annual Community Fest. This year we will have our Grand Raffle at the Community Fest! More information will be coming. If you are interested in purchasing an additional raffle ticket for a chance to win \$10,000 come to the school office or the parish office in the rectory. Tell your family, friends, and neighbors – everyone is welcome to participate. Someone will win, why not you?

Saint Hilary School

Where faith, family, and academics thrive!

Dear Parents,

It has come to my attention that many of our children are watching a Netflix series entitled, "13 Reasons Why". I wanted to share some information with you about this series because I feel that our children do not have the capacity to fully understand the mature content of the series. The following information comes from Common Sense Media a leading independent nonprofit organization dedicated to helping kids thrive in a world of media and technology.

"Parents need to know that 13 Reasons Why is an intense, dark Netflix drama based on the popular young adult novel Thirteen Reasons Why by Jay Asher and is definitely not a light watch or for younger kids. The disturbing story explores a troubled teen's motivations for committing suicide, opening after the fatal event, with all appearances by deceased Hannah in the reflections of a boy who harbored a secret crush on her. Messages about treating people with respect and not taking others for granted are prominent, but the fact that Hannah blames others for her suicide is problematic and may send the wrong messages to some sensitive teens. The series doesn't shy away from mature issues, as Hannah's suicide is shown in great detail, as is more than one graphic rape scene involving a teenager. There's teen drinking, voyeurism (a boy circulates a picture of a girl in a compromising position after a sexual encounter), and lots of swearing ("f--k," "s--t," and "a--holes"). While this challenging story could help parents start conversations with teens about issues like bullying, isolation, and depression, the way the series addresses these issues is complex and may be confusing for impressionable viewers.

This series isn't a pleasant watch by any means, but it does raise vital issues that can inspire valuable discussions between parents and teens. There are two disturbing forces at play throughout the story, the first being Hannah's downward spiral and the circumstances that instigated it. Serious matters like cyberbullying, body image, sexual assault, and sexting are addressed unflinchingly; these scenes can be difficult to watch and are too mature for much of the targeted teen audience.

Hannah's choices are also complicated; it's clear that she blames others for her suicide. One wonders what, if anything, she hoped to gain by inflicting posthumous guilt on parties either actively engaged in tormenting her or innocently involved. As 13 Reasons Why is told from Clay's point of view, there's sympathy for him and others left behind, giving viewers a thought-provoking glimpse of what it's like to pick up the pieces after a suicide. Even so, the story's dark tone of blame and revenge sends some concerning messages parents may need to temper -- this is not a "fun" show and could be interpreted poorly by teens who aren't ready for the nuanced portrait of a young girl's life and death."
-Common Sense Media

It is critically important that we are aware of what our children are watching and that we are open to having conversations with them regarding these very serious and complex issues. This series romanticizes suicide and also does not address mental health issues responsibly but focuses on blame and revenge. My recommendation is that our children do not watch this series. If your child has already seen/heard of it, this is the time to have open and honest conversations with your child. Our first priority is always the safety of our children and this is just another way that we, as adults, need to be aware and proactive to their health and well being.

Sincerely,
Mrs. Kathie Donovan
