

Saint Hilary School

Where faith, family, and academics thrive!

Dear Parent/Guardian,

May 17, 2017

We did it!! The playground dream has become a reality because we came together as a community to make it happen. There are not enough words to express my gratitude to everyone who made this possible. This has been a long journey and many people have helped along the way whether you contributed to the writing of the grant, the interview process, the design day, the many committees, the weekly conference calls, prep days, and finally the build day this would not have been possible without you. The greatest reward is seeing the smiles and faces of our children as they play! I hope that you are able to enjoy this space with your child for many years to come.

Our year is quickly coming to an end and plans are already in the works for our next school year. In today's envelope you will see a list of important dates for the 2017-2018 school year. A full calendar will be sent home in August. One change for next year will be our early dismissals on Wednesday, for the 2017-2018 school year we will be dismissing at 2:00 pm every Wednesday. The faculty will be meeting each week rather than just once a month so that we can improve our curriculum, instructional strategies, forms of assessment, and do some deep dives into data. The end result is to continue to learn and collaborate to bring your child the best education possible. Thank you for your support and understanding.

Thank you:

Today the 5th & 6th graders helped the staff at Green Briar Park spread mulch around the trees and clean up the park. They worked extremely hard and we received many wonderful compliments on how awesome our children are. Thank you to Mrs. Donnelly, Mrs. Frank, Mrs. Gray, Mrs. Stevenson, Mrs. Czuba, and Mr. Sirgiovanni who definitely pitched in and lent a helping hand. This is a wonderful example of how St. Hilary works with the community to help make it a better place.

Thank you to everyone who has supported our recycling efforts. Here are some numbers and data for you to see:

St. Hilary recycled 102,174 pieces of recycling (#1 plastic and aluminum cans) this year, our goal was 100,000. Way to go!!!

In 2015 - 2016 the total recycling was approximately 75,000.

102,174 pieces is approximately 5,782 pounds. As a community, we have saved 1,193 gallons of fuel, as well as 184 trees for 10 years. We came in 1st place in Illinois which is a huge accomplishment and 18th place in the country. We will be receiving \$1,000.00. Thank you for helping us to help our Earth.

Congratulations:

Last week 12 of our students represented St. Hilary at the Annual Battle of the Books. This year 50 students from 3rd – 8th grade spent a few months reading numerous books, taking quizzes, and participating in book discussions. All of the battle participants worked very hard through this process. Team Winget represented St. Hilary, those students were; Caitlin, Zheous, Janine, Claire, Aelaika, Josephine, Madison, Nicholas, Toni, Maliah, Christine L., and Rianne. We came in 1st place tied with St. Mary of the Woods, this is the first time there was a tie for 1st place. What an amazing battle, we are so proud of all of you. A special thank you to Mrs. Donnelly, who has been our coordinator for a number of years; and to Dr. Lida and Mrs. Gray, who were instrumental in assisting Mrs. Donnelly. Thank you also to Mrs. Abalos for chaperoning and to Fr. Aloy for coming to support the team.

Reminder:

With the year quickly coming to a close I ask that your tuition balance is current. ***8th graders tuition must be paid in full by May 15th or your child will be excluded from events and activities, including participating in graduation. Preschool and kindergarten children will be excluded from the end of the year celebrations if their tuition account is not paid.***

Don't forget to tell a friend about St. Hilary and as a thank you, you will receive a \$100.00 tuition credit on your December tuition statement pending enrollment of the referred family. Your testament to St. Hilary School is priceless and we truly appreciate your continued support and dedication! Help us spread the Good News about all that we have to offer our children.

If you would like to apply for financial assistance or any scholarships for the 2017-2018 school year you need to begin the process by completing the FACTS financial assistance application. The link to this application can be found on our website www.sthilarychicago.org, click on the FACTS logo on the right side to be directed to the application.

PHYSICAL EDUCATION NEWSLETTER – MAY 2017

Exciting activities are happening in Physical Education class. We are focused on teamwork and building our fitness levels. Students are getting along well and learning why Physical Fitness is important to their health.

Our Pre – Kindergarten through 2nd Grade students have been working on teamwork while playing with the parachute. While “playing” with the parachute, students are learning why teamwork is important to being successful. Our classes are working on performing many tricks and skills such as kneeling on the parachute to make a tent while keeping all the air “underneath” the parachute. The students are also learning science terms while playing organized “tag games” around and underneath the parachute. The students enjoy using the parachute while using the parachute while playing with their classmates as well as building the muscles and fitness levels.

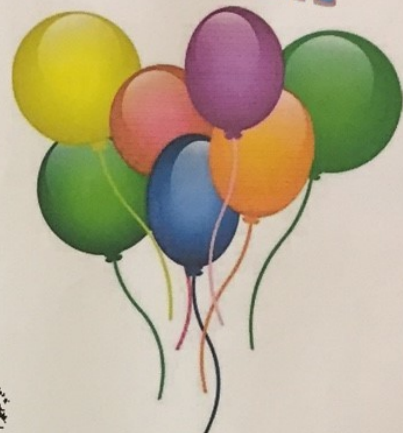

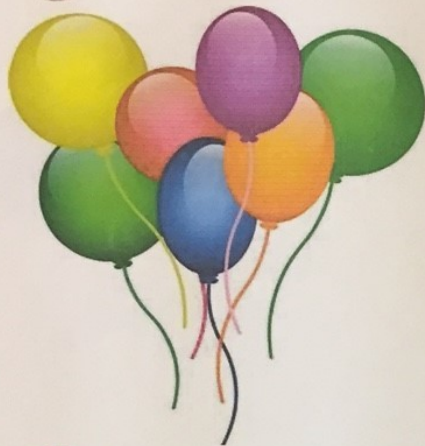

The 3rd through 8th Grade students have been working hard participating in their Physical Fitness Unit. The Fitnessgram Physical Fitness Tests have replaced the Presidential Physical Fitness Test this year. While the tests have mostly stayed the same, the students are working to achieve new standards. The students are practicing and taking these tests – **Pacer Test, Curl – up Test, Push – up Test, Back Saver Sit and Reach Test**, as well as a **Distance Run**. Classes are designed for students to practice with their classmates, and then take their tests.

Please continue to encourage your children to give their best efforts in Physical Education class until the end of the school year.

If you have any questions or concerns, please don't hesitate to contact me.

WHAT IS TOTUS TUUS?

The Totus Tuus parish summer catechetical program, a week-long “parish mission” for Catholic youth in the 1st through 12th grades, is dedicated to proclamation of the Gospel and promoting the Catholic faith through evangelization, catechesis, apologetics, Christian witness, the sacraments, Marian devotion, and Eucharistic worship.

Totus Tuus accomplishes this by taking college students and seminarians to engage the youth of the parish with skits, songs, games and inspiring, interactive teaching.

Totus Tuus instructs young people in the basic tenets of the Catholic faith to cultivate both a firm intellectual grounding and a solid

personal relationship with Christ.

Totus Tuus demonstrates that one can be faithful, practicing Catholic and still have fun!

TOTALLY YOURS

Totus Tuus, a Latin phrase meaning “totally yours,” was the motto of the late, great Pope John Paul II. Taken from St. Louis de Montfort’s work, *True Devotion to Mary*, it signifies our desire to give ourselves entirely to Jesus Christ through the hands of our Blessed Mother Mary. It also expresses our effort to give all that we have to every young person we encounter.

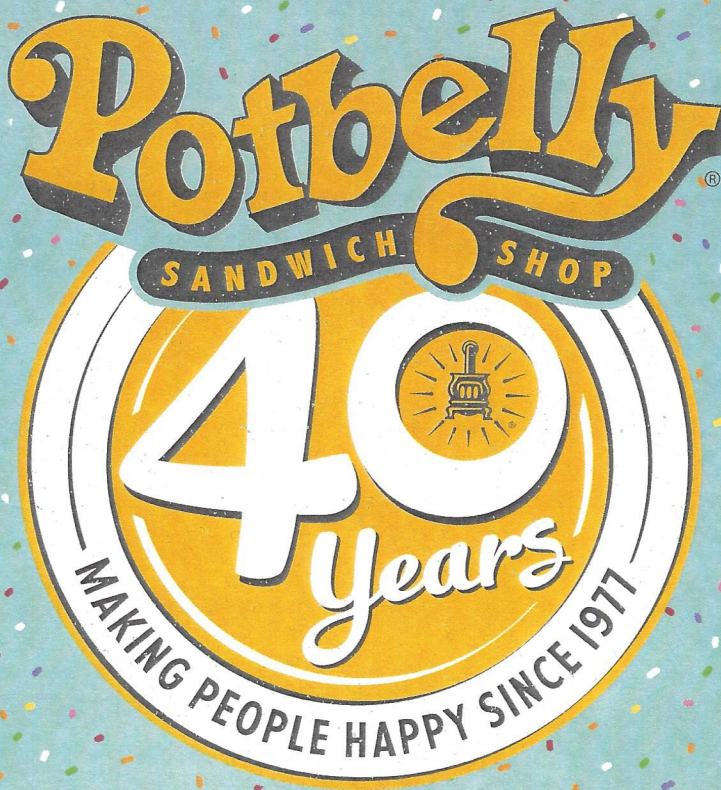

Totus Tuus seeks to inspire in young people a true longing for holiness, a deep desire for daily conversion, and an openness to their vocation by challenging them to give themselves entirely to Jesus Christ through Mary and by continually strengthening their prayer lives in imitation of Her.

CURRICULUM

The Totus Tuus program has divided the four pillars of the *Catechism of the Catholic Church* into a six year cycle. Additionally each summer is dedicated to the mysteries of the Rosary. In 2017, Totus Tuus will cover:

Theme: Prayer

Mysteries: The Glorious Mysteries
