10.1 Parental involvement

Policy statement

We believe that children benefit most from early years education and care when parents and settings work together in partnership.

Our aim is to support parents as their children's first and most important educators by involving them in their children's education and in the full life of the setting. We also aim to support parents in their own continuing education and personal development.

Some parents are less well represented in early years settings; these include fathers, parents who live apart from their children but who still play a part in their lives as well as working parents. In carrying out the following procedures, we will ensure all parents are included.

When we refer to ‘parents’ we mean both mothers and fathers; these include both natural or birth parents as well as step-parents and parents who do not live with their children, but have contact with them and play a part in their lives. ‘Parents’ also includes same sex parents as well as foster parents.

‘Parental responsibility’ is *all the rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his property.*

Procedures

- Parents are made to feel welcome in our setting; they are greeted appropriately, there is adult seating and provision for refreshment where appropriate.

- We have a means to ensure all parents are included – that may mean we have different strategies for involving fathers or parents who work or live apart from their children.
- We make every effort to accommodate parents who have a disability or impairment.
- We consult with all parents to find out what works best for them.
- We ensure ongoing dialogue with parents to improve our knowledge of the needs of their children and to support their families.
- We inform all parents about how the setting is run and its policies through access to written information, including our safeguarding policies and our responsibilities under the Prevent Duty, and through regular informal communication. and through regular informal communication. We check to ensure parents understand the information that is given to them.
- Information about a child and his or her family is kept confidential within our setting. We provide you with a privacy notice that details how and why we process your personal information. The exception to this is where there is cause to believe that a child may be suffering, or is likely to suffer, significant harm, or where there are concerns regarding child's development that need to be shared with another agency. We will seek parental permission unless there are reasons not to in order to protect the safety of the child. Reference is made to our Information Sharing Policy on seeking consent for disclosure.
- We seek specific parental consent to administer medication, take a child for emergency treatment, take a child on an outing and take photographs for the purposes of record keeping.
- The expectations that we make on parents are made clear at the point of registration.
- We make clear our expectation that parents will participate in settling their child at the commencement of a place according to an agreed plan.
- We seek parents' views regarding changes in the delivery of our service.
- We encourage parents to become involved in the social and cultural life of the setting and actively contribute to it.
- As far as possible our service is provided in a flexible way to meet the needs of parents without compromising the needs of children.
- We provide sufficient opportunity for parents to share necessary information with staff and this is recorded and stored to protect confidentiality.
- Our key persons meet regularly with parents to discuss their child's progress and to share concerns if they arise.
- Where applicable, our key persons work with parents to carry out an agreed plan to support special educational needs.
- Where applicable, our key persons work with parents to carry out any agreed tasks where a Protection Plan is in place for a child.
- We involve parents in the shared record keeping about their children - either formally or informally – and ensure parents have access to their children's written developmental records.

- We provide opportunities for parents to contribute their own skills, knowledge and interests to the activities of the setting.
- We support families to be involved in activities that promote their own learning and well-being; informing parents about relevant conferences, workshops and training.
- We hold meetings in venues that are accessible and appropriate for all.
- We inform all parents of the systems for registering queries, complaints or suggestions and check to ensure these are understood. All parents have access to our written complaints procedure.
- We provide opportunities for parents to learn about the curriculum offered in the setting and about young children's learning, in the setting and at home. There are opportunities for parents to take active roles in supporting their child's learning in the setting: informally through helping out or taking part in activities with their child, or through structured projects engaging parents and staff in learning about children's learning.

Volunteers including parents are required to provide at least one written reference and an enhanced criminal records and barred list check if they are helping out on a regular rather than an occasional basis. Paid and unpaid activities such as teaching, training, instructing, caring for or supervising children are now considered to be regulated activity if carried out frequently, or if carried out on more than 3 days in a 30-day period or overnight. Supervised volunteers who only help out occasionally, such as parents or carers helping out on a trip (but not overnight or if providing personal care) do not require checks.

In compliance with the Safeguarding and Welfare Requirements, the following documentation is in place:

- Admissions policy.
- Complaints procedure.
- Record of complaints.
- Developmental records of children.

10.2 Working in Partnership with Other Agencies

Policy statement

We work in partnership with local and national agencies to promote the well-being of all children**.** We will never share your data with any organisation to use for their own purposes.

Procedures

- We work in partnership or in tandem with, local and national agencies to promote the well-being of children.
- Procedures are in place for sharing of information about children and families with other agencies. These are set out in our Privacy Notice, the Information Sharing Policy, Safeguarding Children and Child Protection Policy and the Supporting Children with Special Educational Needs Policy.
- Information shared by other agencies with us is regarded as third party information. This is also kept in confidence and not shared without consent from that agency.
- When working in partnership with staff from other agencies, we make those individuals welcome in the setting and their professional roles are respected.
- We follow the protocols for working with agencies, for example on child protection.
- Staff from other agencies do not have unsupervised access to the child they are visiting in the setting and do not have access to any other child(ren) during their visit.
- Our staff do not casually share information or seek informal advice about any named child/family.
- When necessary we consult with and signpost to local and national agencies who offer a wealth of advice and information that help us develop understanding of issues facing us and who can provide support and information for parents. For example, ethnic/cultural organisations, drug/alcohol agencies, welfare rights advisors or organisations promoting childcare and education, or adult education.

10.3 Making a complaint

Policy statement

Our setting believes that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns about the running of the setting. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns. We aim to bring all concerns about the running of our setting to a satisfactory conclusion for all of the parties involved.

Procedures

All settings are required to keep a written record ('summary log') of any complaints that reach stage 2 and above and their outcome. This is to be made available to parents as well as to Ofsted inspectors on request. A full procedure is set out in the Early Years Learning Alliance publication *Complaint Investigation Record* which acts as the 'summary log' for this purpose.

Making a complaint

Stage 1

- Any parent who has a concern about an aspect of the setting's provision talks over, first of all, his/her concerns with the setting leader.
- Most complaints should be resolved amicably and informally at this stage.

Stage 2

- If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to this stage of the procedure by putting the concerns or complaint in writing to the setting leader and the chair of the management committee.
- For parents who are not comfortable with making written complaints, there is a template form for recording complaints in the above-mentioned publication.
- The setting stores written complaints from parents in a separate file designated for complaints.
- When the investigation into the complaint is completed, the setting leader or manager meets with the parent to discuss the outcome.
- Parents must be informed of the outcome of the investigation within 28 days of making the complaint.

- When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

Stage 3

- If the parent is not satisfied with the outcome of the investigation, he or she requests a meeting with the setting leader and the chair of the management committee. The parent should have a friend or partner present if required and the leader should have the support of the chairperson of the management committee present.
- An agreed written record of the discussion is made as well as any decision or action to take as a result. All of the parties present at the meeting sign the record and receive a copy of it.
- This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

Stage 4

- If at the stage three meeting the parent and setting cannot reach agreement, an external mediator is invited to help to settle the complaint. This person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the action so far and suggest further ways in which it might be resolved.
- Staff or volunteers within the Early Years Learning Alliance are appropriate persons to be invited to act as mediators.
- The mediator keeps all discussions confidential. S/he can hold separate meetings with the setting personnel (setting leader and chair of the management committee) and the parent, if this is decided to be helpful. The mediator keeps an agreed written record of any meetings that are held and of any advice s/he gives.

Stage 5

- When the mediator has concluded her/his investigations, a final meeting between the parent, the setting leader and the chair of the management committee is held. The purpose of this meeting is to reach a decision on the action to be taken to deal with the complaint. The mediator's advice is used to reach this conclusion. The mediator is present at the meeting if all parties think this will help a decision to be reached.
- A record of this meeting, including the decision on the action to be taken, is made. Everyone present at the meeting signs the record and receives a copy of it. This signed record signifies that the procedure has concluded.

The role of the Office for Standards in Education, Children's Services and Skills (Ofsted), the Local Safeguarding Children Board or local safeguarding partners and the Information Commissioner's Office.

- Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the Safeguarding and Welfare Requirements of the Early Years Foundation Stage are adhered to.
- Parents can complain to Ofsted by telephone or in writing at:

  Ofsted National Business Unit, Piccadilly Gate, Store Street, Manchester M1 2WD

  Tel: 0300 123 1231

  - These details are displayed on our setting's notice board.
  - If a child appears to be at risk, our setting follows the procedures of the Local Safeguarding Children Board or local safeguarding partners.
  - In these cases, both the parent and setting are informed and the setting leader works with Ofsted or the Local Safeguarding Children Board or local safeguarding partners to ensure a proper investigation of the complaint, followed by appropriate action.
  - The Information Commissioner's Office (ICO) can be contacted if you have made a complaint about the way your data is being handled and remain dissatisfied after raising your concern with us. For further information about how we handle your data, please refer to the Privacy Notice given to you when you registered your child at [our/my] setting. The ICO can be contacted at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or ico.org.uk.

Records

- A record of complaints against our setting and/or the children and/or the adults working in our setting is kept for at least seven years, including the date, the circumstances of the complaint and how the complaint was managed.
- The outcome of all complaints is recorded in the *Complaint Investigation Record* which is available for parents and Ofsted inspectors on request.
