

Registration Form Continued

All precautions will be taken to ensure the safety of Kids' College participants. However, since your child is a minor we do need your permission for their participation. Please fill in the information below and sign and date this form.

I hereby give my child permission to attend and take part in all of Kids' College activities. I will not hold Montana Tech or Kids' College personnel responsible in the event of an accident or injury as a result of his/her participation. I understand that in an emergency I will be contacted immediately.

I hereby designate:

Daytime Phone: _____
to be contacted if I am not available.

I also give Montana Tech permission to use any photographic or video images taken of my son/daughter in future publications and/or advertisements for Kids' College.

Parent/Guardian's Signature:

Registration is limited and students who register at least one week prior to the workshop of their choice will be given preference. Please mail this completed registration form (both sides) with your **non-refundable** registration fee to:

Montana Tech
Kids' College

5 Senses

Monday, June 19th
SMELL

Kim Brown of Montana Home Sprouts
How does your nose distinguish smells? Your nose is a powerful organ that can do amazing things! Come learn about how the nose works while making some homemade soap.

Tuesday, June 20th
SIGHT

Don't blink or you'll miss it! Come learn how your eyes are the best crime fighting tool there is and how to use them.

Wednesday, June 21st
TASTE

Why does one person love blue cheese and another cringe at the thought? Taste, a sense that adds flavor to the world, is a complicated but oh-so-important part of life.

Thursday, June 22nd
TOUCH

How do your fingers, toes and skin work? Explore your sense of touch and all its wonder through hands-on activities.

Friday, June 23rd
SOUND

Have you ever stopped to think what causes sound or how our ears interpret sound? If so, we have created simple projects to answer all of your questions! Music does sooth the savage beast.

Sciences of Tech

Monday, July 17th
BIOLOGY

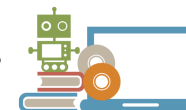

If you love the outdoors, love animals, or are inquisitive about how the body works, then biology is the science for you!

Tuesday, July 18th
CHEMISTRY

Mrs. Pat Liedes,
Powell County High School Teacher
Science isn't magic, but it sure is fun. Baking soda + vinegar = fizzing explosion! Come and learn what other concoctions you can experiment with safely.

Wednesday, July 19th
COMPUTER SCIENCE

Brent Donovan, Montana Tech CS Faculty
Are you good with computers? Want to design the next big video game? Come learn the ins and outs of computers.

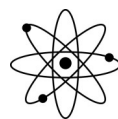

Thursday, July 20th
ENVIRONMENTAL
CFWEP.org

Learn about CFWEP.org and how they paved the way in keeping our environment in tip-top shape with some fun projects.

Friday, July 21st
PHYSICS

Mrs. Pat Liedes,
Powell County High School Teacher
Ever wonder how gravity affects objects? How does the universe work? Come and join us for some fun hands on experiments on how things work.

Science Challenges

Monday, August 7th
EDIBLE SCIENCE
Butte Brewery

Science never tasted better! Gear up your taste buds as you engineer your very own root beer.

Tuesday, August 8th
FLIGHT SCIENCE

Which will fly the farthest: paper airplane or hot air balloon? Try your best at some of these awesome flight tests.

Wednesday, August 9th
ENGINEERING

Ronda Coguill

Sink or float? Will your boat make it? Be prepared to swab the deck with your design skills.

Thursday, August 10th
HEALTH SCIENCE

The fastest growing and most important industry in the world. Learn about your body and the science that operates it, through fun challenges.

Friday, August 11th
WATER SCIENCE

Matt Sargent

Institute for Educational Opportunities
It's sure gets hot in Montana at this time of year. Come cool off with some watering experiments that will sure have you reaching for a towel.

What is Kids' College?

Kids' College is designed to meet all interests, so if your child is looking for a half day workshop or something to do all week, this is just the thing! Kids' College offers children high quality summer activities that are fun and educational.

General Information

- Registration for one workshop, student's choice, is \$20. The entire week is only \$80 and includes a Friday graduation ceremony, where they receive a certificate and gift.
- Workshop presenters have been hand-selected on the basis of their expertise and ability to work with kids.
- Snacks are provided for the kids each day. **However, if your child has a special diet please feel free to pack a snack for them and notify Theresa Rader.**
- Students should be dropped off and picked up from the Big Butte/Highland Room in the Student Union Building at Montana Tech **unless otherwise noted.**
- Questions about Kids' College, or if you need additional brochures to share with your child's friends: **Contact Tammy at 496-4136.**

Students Grades 1-3

- Workshops will run from **9 am to Noon.**
- For students who register for the entire week, the graduation ceremony will be on Friday. Parents are **ENCOURAGED** to attend.

Students Grades 4-6

- Workshops will run from **1 pm to 4 pm.**
- For students who register for the entire week, the graduation ceremony will be on Friday. Parents are **WELCOME** to attend.

Kids' College Registration

Enrollment is limited. Register early to ensure your place in the class of your choice. Please feel free to photocopy for additional children or register on-line at:
